Team Building & *LEADERSHIP* *CAMP*

ENTREPRENEURSHIP DEVELOPMENT CENTRE

FOSTIIMA Business School has set up an Entrepreneurship Development Centre at the Campus to help the students with entrepreneurial aspirations to start giving shape to their business idea even while pursuing their PGDM education.

Every year the students go for a Team Building Camp in an exotic location in the Himalayas, in the state of Uttarakhand. The camp is set up in a multi facility area. Small groups are sent out in batches in order to achieve maximum learning.

The students participate in many activities such as Rappelling, River Crossing and Hiking amongst others. One of the team building activities includes taking over the camp kitchen and preparing their own meal!

The students are also encouraged to live in an eco-friendly manner and reduce their carbon footprint. The camp is organized and managed by an IIM(A) Alumnus, Samir Bhatia, a reputed international trainer. Over the years, students have been to Manali, Jim Corbett National Park, Rishikesh & Nainital.

INTERNATIONAL EXPOSURE

FOSTIIMA provides its students an opportunity to broaden their vision and develop their personality by an Exposure-cum-Educational International Trip to give them a first-hand experience of interaction with foreign students and their Faculty.

The main purpose of the trip is to showcase to the students the international culture and business environment at a selected location either in the Middle East or Far East. While the trip structure entails cross-cultural heritage and constructive

relationship building to facilitate globalization of Indian business, it is also a lot of fun for the students. Last year the students were taken to Dubai.
