VC MESSAGE

Dear Prospective Students,

It is with great pleasure that I extend a warm welcome to you on behalf of Gautam Buddha University. As you consider your future academic journey, I encourage you to explore the many opportunities that await you here at our esteemed institution. At GBU, we pride ourselves on our commitment to academic excellence, innovation, and holistic student development. Our dedicated faculty members, state-of-the-art infrastructure, including well-equipped laboratories, library and sports facilities, and vibrant campus community will provide you with the resources and support you need to achieve your personal and professional goals.

The University is opening admissions for the upcoming academic session 2025-26, offering 160 programs, including 10 new programs. The university aims to bridge the gap between industry and academia, offering degree, diploma, and certificate courses in emerging areas of Information and Communication Technology, Engineering, Applied Sciences, Biotechnology, Life Sciences, Ayurveda Biology, Systems Medicine, Management, Humanities and Social Sciences, Buddhist Studies, and Law, Justice and Governance.

The Artificial Intelligence (AI) Centre at Gautam Buddha University is poised to harness the power of AI to address societal challenges, drive economic growth, and empower the next generation of innovators and leaders, and position the State as a front runner in the global AI landscape. The centre will bring together interdisciplinary collaboration, experts from academia, industry, and government to tackle complex problems across various domains.

The University aims to enhance employability through various student development programs and integrate the national ethos in learning and sharing. The University is committed to putting the Nation at the forefront through quality education. Our diverse range of programs, cutting-edge research opportunities, focus on practical learning, diverse social, cultural, and economic environment will empower you to make a meaningful impact in your chosen field.

I invite you to take the first step towards a fulfilling academic career with us. We look forward to welcoming you to our university and supporting you as you embark on this exciting new chapter of your life.

Best wishes for your academic and personal success.

Warm regards,

Prof. Rana Pratap Singh
Vice Chancellor
Gautam Buddha University

1.0 ABOUT THE UNIVERSITY

Gautam Buddha University was established under the Uttar Pradesh Gautam Buddha University Act, 2002 (U.P. Act No. (9) of 2002), and came into existence in the year 2008. The University is recognized by UGC under section 2(f) and 12-B of UGC Act, 1956 and is accredited by NAAC. The University envisions to integrate our National Ethos, Rich Heritage and the Ancient Wisdom with the education and research to invoke high standards of quality and innovativeness to be at par with international benchmarks. The University is a world class center for excellence in the field to Research and Academics.

Gautam Buddha University has 455 acres of lush green campus with the built up area of 8,000,000 sq.ft at Greater Noida. The fully residential campus is modelled in line with the best institutions of higher learning across the globe. The design of the Gautam Buddha University is an integration of buildings, landscape, art, sculpture, and environment. The features of infrastructure such as natural lighting, ventilation, traditional elements like lattices, sunshades and domes, allows to establish a strong link with the natural environment. All these features complement each other and give a unique identity to the campus.

The University has a world class infrastructure in terms of its buildings of Eight Schools of studies with Auditorium and Conference facilities, Administrative Block, Central Library, University Auditorium with 3000 seating capacity, Sports Complexes, Health Care Centre, Hostels, International Convention Centre and a well-equipped Guest House. Excellent internal roads, gardens, illuminated campus, state-of-the-art IT enabled classrooms, laboratories and other amenities, well maintained hostel buildings make the University an incredible place for study. A rich library facility with well stacked books, journals, magazines, separate reading and reference sections and modern e-resources with free-access to a large number of E-journals and E-books makes it a very significant source of learning. Mahamaya Shanti Sarovar, a beautiful water body spread over 1 lac sq. ft. area is in the midst of the Schools of the University. Entire campus is equipped with Wi-Fi facility of 1GBPS Internet Speed with 24 hours power backup.

VISION

A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society.”

MISSION

- To generate a community of scholars who can manage continuity and change.
- To seek and incorporate the best practices in teaching and learning from around the world.
- To inculcate in the learner's due appreciation for ethical, ecological and economic issues of knowledge.
- To provide knowledge based scientific solutions to satisfy the need of society and industry.
- To ensure an academic environment that guarantees avenues for all historically excluded sections of the society.

2.0 THE CAMPUS

The GBU Campus, situated in the Delhi NCR, is a thriving residential home to a community of creative and accomplished students from not only India but also from across the world. The campus is designed to provide an immersive learning experience to its students, both inside and outside the classroom. A fully residential campus is an ideal place for learning and self-discovery which is ultimately helpful in nurturing the young minds in right directions. Here at the campus, students are encouraged to engage in intellectual debates, develop talents through various cultural club activities and entrepreneurial projects.

2.1 Hostels

Experience comfortable and convenient living at Gautam Buddha University with our well-equipped hostels. We offer 11 boys' hostels and 7 girls' hostels, designed to provide a home away from home. Most rooms are single occupancy, ensuring privacy and personal space. A limited number of double occupancy rooms are available for girls. All hostel-related processes, from initial allotment to exemptions for medical or other valid reasons are managed efficiently through our Online Hostel Management System (OHMS) and Primary Hostel-Exemption Interface (PHI). This streamlined online system ensures transparency and ease of access for all students. Hostel allotment is on a "first come, first served" basis. While we strive to accommodate all students, in the rare instance of full occupancy, students may need to make temporary arrangements until a room becomes available.

Our hostels are designed with your comfort and well-being in mind. Enjoy a range of amenities, including high-speed internet access, common rooms for socializing, separate TV rooms, visitor rooms for guests, table tennis, reading rooms, first aid facilities, indoor games, a gymnasium, and outdoor courts for badminton, volleyball, and basketball, for those late-night cravings or quick refreshments, 24/7 vending machines are conveniently

located within the hostel area. We also cater to specific needs, offering accommodation for full-time Ph.D. scholars in our Married-Research Scholars Hostel (MRSH), which features two-room apartments. Separate accommodation is available for our international students. To ensure your comfort during the winter months, all hostels are equipped with water heating systems for a continuous supply of hot water.

2.2 Bodhisattva Dr. Bhim Rao Ambedkar Pustakalaya (Central Library)

Bodhisattva Dr. Bhim Rao Ambedkar Library (Central Library) is situated at the centre of the Gautam Buddha University Campus. The library building is a structural marvel designed with inspirational inputs from the Buddhist Traditions of Learning. It is tallest building in the campus and is a mark of tribute to the Buddha. The library spread in approx 1078 lacs sqft. having five story which support the University's mission to contribute to society through its pursuit of education. Learning and research at the highest levels of excellence.

The central library supports the University's mission to contribute to society thoughts its pursuit of education, learning and research at the highest levels of excellence. It is the soul of academic and research activates of the University. It has huge volumes of Management, Computer Science, Engineering, Information Technology, Biotechnology, Humanities & Social Sciences, Buddhist Studies, Law, Science and Technology and other related areas. The library is well – equipped with modern facilities, spacious stack halls, 2000 seating capacity reading hall, reference section, catalogue area, multiple self supporting loaning counters, and is managed by professionals. The central Library is a fully automated with Libsys 10 and RFID systems.

2.2.1 Library Resources

As a member of One Nation One Subscription, central library has 13096+ e – resources from the reputed publishers in campus access as well as outside the campus access. In addition to these 1, 00,000 + open access e –resources are linked with the University website to make

it accessible to the users anytime anywhere. Library subscribes various Hindi and English newspapers and Magazine related to competitive exams for the students.

2.2.2 Special Services

Library has a dedicated section for preparation of the IAS/IPS and other computation exams. One reading hall is also available 24x7 for studying of the personal books.

2.2.3 DELNET Services

The library is a member of DELNET. Inter Library Loan from other institution around the globe is available through DELNET.

2.2.4 Library Facilities and Services

The library provides various value-added services with special services to students for competitive exams.

- Current Awareness Services and Computer Lab for Students
- Smart ID Cards facilities for Students/ Faculties/ Staffs'
- Internet Services through WI- Fi connectivity throughout the library and GBU Campus.
- OPAC (Online Public access Catalogue)
- Book Bank Services for Students.
- Property Counter with Lockers system.
- Introduced new and update services to the users by displaying on notice board or circular.
- Centralized generator set facility to ensure uninterrupted power supply.
- Ramp and lift facility for differently - abled Students.
- Self-Check - in / check - out facility.
- Access to online Journals and Data base
- Inter Library Loan.
- Centralized Air Conditioner.
- Plagiarism Detection Software.
- Newspaper, Magazine, competitive exams Books and Print Journals Facility.
- Access of E-resources through remote access.

2.3 Central Computer Center (CCC)

The Central Computer Center is a central facility that caters to the computing needs of faculty, staff and students. This facility operates 24x7 throughout the year, serving as the hub for computer related services on the campus. It is well-equipped with advanced computers, necessary peripherals, and essential software. Additionally, the Central Computer Centre is equipped with power backup through two high-end 80KVA UPS units and a generator set. Air Conditioning is provided by a precision AC & VRV AC plants.

-
- Linux / Windows desktops are accessible in all classrooms across various school labs to facilitate e-learning and interactive lab sessions during classes. The CCC network backbone operates on Fiber Optic connectivity, interconnecting the computer center, School of Studies, and administrative offices. The access network utilizes structured UTP network infrastructure incorporating approximately 400 units of 10/100 Mbps switches. The University is equipped with a 2 Gbps bandwidth for internet connectivity obtained from the National Knowledge Network (NKN) and other ISPs.
 - CCC offers easy access of excellent computational facilities to both faculty and students, boasting over 900 computers that cater to their academic, research, and recreational needs. The entire campus is interlinked through LAN and seamless wireless connectivity, facilitated by Cisco APs, which are managed by the WLC (Wireless LAN Controller) Cisco 5508. Over 250 indoor APs are strategically installed to ensure connectivity across various buildings, including different schools within the University.
 - NextGen Firewalls are installed to detect Malware, Spyware, and viruses at the gateway level, thereby securing the network from potential threats.
 - Multiple servers are installed in the CCC data center for various application used by different schools and labs.

2.4 Mahatma Jyotiba Phule Dhyam Kendra (Meditation Centre)

Mahatma Jyotiba Phule Dhyam Kendra, popularly known as the Meditation Centre, is designed to visually tie the earth with the sky when viewed in the horizon. It is inspired by the Stupa architecture (a symbolism of Buddhist Stupa), is a learning and retreat centre which gives an experience of the power of peace and inner silence to the students of the University besides their regular curriculum. The centre aims to create a community around the pursuit of living a more mindful, reflective and skillful life. It focuses to develop the meditation skills of its members and foster discussion of matters of practical importance. Personality trait and mindfulness are associated in a way to understand ourselves and those around us and consequentially be able to demonstrate skills to respond to the society peacefully. These skills could be, for example, working with others, solving problems, decision making adapting to change etc.

The centre organizes seminars, lectures and experiential workshops on Buddhist meditation, positive values, stress free living and self-management. It aims to help the residents of the campus, in recognizing their own inherent qualities and recollect their inner most potential. The meditation centre facilitates the experience of the inner self through silence. The purpose of meditation is the cultivation of positive states of mind, conducive

to peace and well-being, and it helps overcome negative habits of minds. The course is a chance for the students to centre themselves with a calm mind and develop clarity of perception, a sense of healing and the ability to connect to an inner source of energy.

2.5 Planning and Research Cell

The office of the Dean Planning & Research looks after various Research Projects which are being sponsored by different funding agencies like Department of Biotechnology (DBT), Indian Council of Medical Research (ICMR), Council of Scientific & Industrial Research (CSIR), Department of Science & Technology (DST), Indian Council of Social Science Research (ICSSR), Indian Council of Historical Research (ICHR), Indian Council of Philosophical Research (ICPR), etc. These projects of approximately Rs. 60000000 (Six crore) are ongoing at different stages of growth and development at various Schools of the University. A number of Junior Research Fellow (JRF), Senior Research Fellow (SRF), Research Associate and Research Assistant (RA) and Principal Investigator (PI) under Women Scientist Scheme-DST are also working in different projects under the meticulous supervision and mentorship of our esteemed faculty members. We also encourage different other fellowships like Ramanujan Fellowship of Department of Science and Technology under the scheme for brilliant Indian Scientists and Engineers from outside India to take up scientific research positions in India, those Indian Scientist / Engineers who want to return to India from abroad. The University has state of the art laboratories in all the Schools apart from well-equipped Computer Centre. Apart from the above, registration for copyrights and patents are also been taken care of by this office. Various copyrights and patent have been granted and filed under patent law. A number of MoUs with different organizations have also been signed by the University.

2.6 GBU Incubation Centre

Entrepreneurship and Incubation: In its regular efforts to equip students with the right skills and tools, Gautam Buddha University has an Incubation Center which works like an accelerator for young entrepreneurs. From bootstrapping to technical training, and from mentorships to financial and technical aid, GBU Incubation Centre is the one place where students can find everything they need. The incubation center is one of its kind that helps and propagate entrepreneurship, which in turn addresses issues like local area development, niche sector growth, employment generation and economic growth. The Incubation Centre of GBU is duly recognized by ministry of MSME Govt, and UP Startup Policy.

2.7 Sports Facilities

The University promotes multi-dimensional growth with emphasis on an integrated physical and intellectual learning and training. The Eklavya Sports Complex of the University is spread over approx. 47 acres with indoor and outdoor stadiums of global standard, equipped with state-of-the art sports facilities. It is the hub of sports activities in the University.

- Cricket Stadium: National Level Cricket Stadium with pavilion of sitting approx. 650 persons- 01 Cricket Practices pitch- 07 Nos.
- Indoor Stadium: Centre Playing Area approx. - 38.50 x 59.60 m. with PVC approved Sports Flooring, Seating Capacity- approx. 5000 persons with the facilities of Badminton Courts, Basketball Court- 01 no. & Wooden Squash Courts - 02 nos.
- Sports Centre: ITTF approved Table-Tennis Tables in Sports Centre 06 Nos., 10 m. Air Pistol Shooting Range- 5 targets, Boys Gym Facility- 01 no.
- Practice Soccer cum track and field- 01 no.
- Proposed Hockey Astra-turf Stadium with pavilion of sitting approx. 650 persons, Synthetic Athletic Cum Soccer Stadium with pavilion of sitting approx. 650 persons, Olympic size Swimming Pool-cum-Diving Pool with sitting approx. 600 persons.
- Synthetic Lawn-Tennis courts with floodlights- 04
- Synthetic Volleyball courts with floodlights- 04
- Synthetic Basketball courts with floodlights- 03
- Gym Facility in Girls Hostel-04
- GBU Club: Gym Facility-01, Wooden Badminton Courts- 02., Squash Court-01, Billiard Table- 01, ITTF approved Table-Tennis Table- 01.

The University has a good number of experienced coaches for Badminton, Basketball, Football, Volleyball, Cricket, and Table Tennis games, to provide guidance and training in concerned sports event 'Shauryotsav', the annual sports festival of the University aims at motivating students to participate and add physical extensions to their intellectual quests. University organised Shauryotsav every year in which almost all students (Boys and Girls) participate in approximately 100 different sports events.

2.8 Health Care Centre

The multifarious medical needs of the Campus residents including students, faculty, staff members and their dependents are met by the University Dispensary. The Dispensary is equipped with a team of full time and visiting Medical professionals co-ordinated by Nursing Supervisor. Patients registered at the reception are served on first come first serve basis, however out of turn consultation is provided in case of emergency and for senior citizens. In OPD, clinical consultation is provided to the patients which also includes; patient's

clinical history, clinical examination, diagnosis, henceforth diagnosis and prescriptions are provided to patients and laboratory tests suggested, if required. OPD facility covers waiting hall with chairs, public utilities like drinking water and toilets. Sub waiting areas are available in front of individual consultation room. Wheel Chairs and attendants are there to help patients. Other facilities include Ward/Indoor facility, Minor OT, Physiotherapy, Laboratory services, ECG services, Pharmacy, 24x7 Ambulance services.

Annually organizing free health check-up camp, free orthopedic & physiotherapy camp, yoga camp. etc. for University student's/residents by Dispensary in collaboration with leading hospitals of Delhi/NCR. Annually organizing voluntary blood donation camps by dispensary in association with Red Cross society and leading blood banks. Providing Health education for visiting patients in Dispensary by medical professionals.

2.9 Examination Cell

The University has a well-established examination cell to conduct examinations, to prepare results and to maintain all the academic records of the students. All programs of the University follow Choice Based Credit System (CBCS) and students are examined on semester basis. The University follows a 10-point grading system. The system works as:

Maximum marks: 100; Minimum passing marks: 40

At University, students have to complete the programs in n+2 (n+3 for SC & ST students) years, where 'n' is the duration (number of year) of a particular program. To be promoted to next academic year, student must score a minimum 4.0 CGPA in two semesters of particular academic year.

Letter Grade	Marks	Grade Point
O	91-100	10
A+	81-90	9
A	71-80	8
B+	61-70	7
B	51-60	6
C	41-50	5
P	40	4
F	<40	0
Ab	Absent	0
Inc	Detained due to low attendance	0

2.10 Transport Facility

GBU is a residential campus for students, faculty and staff. There is availability of University bus service to provide need based transport facility for educational tours, seminars and conferences etc. The roads layout plan in entire campus is in circulation system that keeps the complete vehicular movement restricted to the periphery of the campus allowing for a completely pedestrian-friendly environment. Separate tracks for cycles have been provided to move safely from one place to the other.

2.11 Other Amenities

A shopping complex comprising of 21 shops which houses eatables, grocery, dry cleaner, stationery shops etc. A branch of PNB & ATM and ample number of Cafeterias operational in the campus.

3.0 STUDENTS SUPPORT AND PROGRESSION

Each school of the University has an efficient and competent system for student support and mentoring them to provide academic, career and psychological counseling to the students. Students are supported through mentoring in academics, sports and cultural activities. They are guided to develop their personality and soft skills. They are counselled to develop professional competitiveness as well as ethics, human values, sense of social responsibility and environmental consciousness. Students are encouraged to participate in activities for social and community services. The University is very sensitive to the issues of gender equality and has 'Gender- Sensitive Policy'. Students are encouraged to maintain gender discrimination free environment. Street plays/Skits related to such issues are enacted in the campus on various occasions by the students of various cultural groups. Debates/Talks are organized for encouraging students to make campus a safe place for every student irrespective of gender and culture. The University also has a zero-tolerance policy for issues related to sexual harassment.

3.1 Facilities for Differently - Abled Persons (DIVYANG)

With special consideration for differently-abled persons, the University has provision as per UP State reservation policy. For 'Barrier Free Access' the University has constructed ramps at all Schools/ Departments, administrative building, central library, hostels and shopping complex. There is a facility of lifts in all the Schools, administrative building, and central library with separate wash room facility in all the School buildings.

3.2 National Service Scheme (NSS)

The National Service Scheme (NSS) is a government-run program in India that aims to provide students with opportunities to engage in community service and develop their leadership skills. The chief objective of NSS is to inculcate the spirit of social service among students and to provide them with an opportunity to work for the welfare of the community. The program is open to students in colleges and universities and is run by the Ministry of Youth Affairs and Sports, Government of India. GBU currently has three units of NSS. Each unit consists of 100 student volunteers with program officer. Various activities have been carried out under the scheme such as maintain a green and clean campus, environmental sustainability, winter cloth distribution among poor and needy people, blood donation camp, free eye check-up camp, road safety awareness and Nasha Mukti awareness programs. We also conduct one day and

07-day special camps to volunteers for volunteers in the adopted villages nearby from GBU. Special camping programs are usually held for a period of 7 days, during which students participate in community service activities such as cleaning, plantation, and health and sanitation programs. The NSS is considered to be an important program in India as it helps in the development of a sense of responsibility and concern for the community among young people. It also helps to develop leadership skills, teamwork, and a sense of social responsibility in students.

3.3 National Cadet Corps (NCC)

The University encourages students to participate in National Cadet Corps (NCC) activities in order to educate them for "Unity and Discipline" which is the motto of NCC. The NCC cadets contribute towards social development by providing leadership, participating in community service, national and cultural integration, understanding the value of physical education with adventure training and promoting awareness through social programmes. Currently, the University has 1 girl (31 UP (Girls) Battalion NCC, Greater Noida) platoon which enrolls 50 female students for Senior-Wing NCC training leading to 'B' and 'C' certificates. The University has also applied for permanent seats in NCC Senior-Wing (Boys) and is hopeful to get it soon.

3.4 Cultural Council

The Cultural Council promotes co-curricular and cultural activities among the students through its wide variety of events throughout the year to inculcate the values of our ancient wisdom and cultural heritage. University focuses on the all-round development of its students hence to strike a balance between books, syllabus and curriculum, co-curricular activities are incorporated to enhance the creative intellectual, moral, social and cultural development of the student. Throughout the year various cultural events are organized by different clubs of the Cultural Council where students get the opportunity to develop and exhibit their skills and non-academic abilities. University's annual cultural event 'Abhivyanjana' intends to add wings to intellect, imagery, and creativity of our students. It aims at dissolving the cultural demarcations and facilitates a new school of thought where every student thinks beyond boundaries. It also gives a platform to the budding managers, team leaders and team players, testing their own abilities against all odds. The cultural council of the university consists of following clubs:

GBU CULTURAL COUNCIL CLUB's NAME	
Adventure Club	Literary Club: Arhant
Art Club	Music Club: Swaranjali
Audio Visual Education Club: Pradarsh	Natures Club
Creativity Club	Painting Club: Chitrakala
Dance Club: Jhanak/Jhankaar	Photography Club: Pratibimb
Debating Society: Drishtikon	Social Service Club
Dramatics Club: Dishyan	Techno-Cultural Club

4.0 PLACEMENTS AND EMPLOYABILITY ENHANCEMENT

The University relentlessly works for Placement and employability enhancement of students under the aegis of Corporate Relations Cell (CRC).

4.1 Training and Placement: The Corporate Relations Cell (CRC) provides 100% placement assistance to all the students, it acts as the career guidance cell. Following are the activities which fall under the ambit of CRC: conducting trainings, providing summer & final Placement assistance and maintaining liaisoning with corporate. It is the primary Industry Interface for the students with the outside world and vice versa. Apart from this the Corporate Relations Cell infuses the spirit of entrepreneurship through its Incubation Center with beneficial tie-ups with angel investors. This incubator houses the dreams of young entrepreneurs. CRC also conducts Mega Job fairs to invite the best available opportunities for the students of Gautam Buddha University.

4.2 Mukhyamantri Abhyudaya Vojna Centre: Abhyudaya Vojna is a free scheme for economically weaker students for the Civil Services and other competitive exams aspirants. The platform facilitates services of IAS, IPS and IFS officers from various government institutions and experts that provide multidisciplinary training to the aspirants of civil services and other competitive examinations through live classes and virtual medium.

4.3 Career Counseling: lies at the core of CRC's focus. It is imperative to steer the young minds at all times, so as to enable them to achieve their target careers in the most efficient and effective way. Hence, CRC helps students understand how best they can utilize classroom course work training and apply it in the real world

4.4 Job Fairs: GBU Organizes the Mega Open Campus Placement Drive along with Ministry of Labour and Employment, (Govt. of India), FICCI and other Organization, which is a Platform for many Employers and Job Seekers. This fair has provided opportunities to 150+ Employers and 10,000+ Job Seeker with 1000s success stories. Highest Package Offered for the Batch (2024) – 51 LPA Number of Companies Conducted Campus drives in 2024 – 60+ and 75% Placement of USOICT, USoE & USoM

5.0 INTERNATIONAL STUDENTS

International Affairs Cell at Gautam Buddha University offers a very cordial welcome to the international students wishing to join various programmes of the University for higher studies. We are a nation whose core ethos recognizes divinity in each and every guest, who lands in India. To enforce it properly, the University has created a separate entity to look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. The International Affairs Office advises students on the matters related to application, admission, fees, arrival services and orientation. It also offers an ongoing support and after arrival advice. The International Students' Office is responsible to provide all necessary help to international students regarding:

- How to choose course of study.
- How to fill in the application form for admission Course information.
- Whether academic qualifications are suitable/ eligibility criteria.
- English Remedial Programme Orientation.
- Visa formalities Accommodation/Hostels Fees and any other issues.

- Annually organizing voluntary blood donation camp by dispensary in association with Red Cross society and leading blood banks.

The Centre coordinates with ICCR, Ministry of External Affairs, different embassies, consulates Study in India. Programme and Direct Admission of Student Aboard (DASA) University admits students under various government schemes for foreign nationals, PIO, NRIs etc. through their respective online portals as well for various purposes including the scholarships on behalf of the students.

The University model for Internationalization of Higher Education has the following unique features: Single Window, Networking, Interfacing, Wireless connectivity, Interaction, Multi / Interdisciplinary, Competitive and Affordable. The University has a large number of international students for not only Under Graduate and Post Graduate courses, but also for Research Programs viz. Ph.D. programs. In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for international student community. The International Students registered in this University since its inception, belong to following countries:

INTERNATIONAL STUDENTS REGISTERED FROM FOLLOWING COUNTRIES		
Vietnam	Cambodia	Afghanistan
South Korea	Thailand	USA
China	Yemen	Canada
Myanmar	Nepal	Suriname
Mongolia	Lao PDR	Bangladesh
Taiwan	Bhutan	Sri Lanka

6.0 SCHOOLS OF STUDIES

In order to promote value-based education, research and training, the University has eight schools of studies

Each School of Study in the University combines a multilateral confluence of academic training, research, innovation and creativity. These Schools are embodiments of the University's ever-growing quest for excellence in higher education and research. All the Schools encompass modern fields of studies, technological exposure and a meaningful dissemination of knowledge coupled with practicing wisdom. The uniqueness of the University is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society.

The Schools of Studies have been established with the objective to disseminate knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for various courses in Management, Engineering, Biotechnology and Information & Communication Technology (ICT) in its educational programmes; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train the

manpower for the development of the country and to establish linkages with industries for the promotion of science and technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development. The academic programmes offered by the University are recognized by UGC and by various regulatory bodies/ statutory Councils, whichever are applicable in individual cases.

Teaching Pedagogy

The traditional form of teaching in a University often involves lectures being given to large groups of students, accompanied by tutorials and workshops, with some independent study. However, there are several other modes of delivery that can also be very effective such as the flipped classroom and problem-based learning. The teaching pedagogy

implemented at the University is designed to give an overview of various methods of teaching and learning process for the better understanding of the students which are:

- Conventional Lecture mode, however, the University promotes small group teaching to make lectures productive and engaging
- Demos in practical classes for effective engagements of students.
- Flipped classroom approach by asking learners to watch video content before the class session, and devote in-class time to exercises, projects and discussions.
- Active learning to explore teaching and learning methods that put the student in-charge of their own learning to work together to support each other's learning.
- Blended learning where traditional classroom teaching is combined with online learning and independent study.

Emerging as Centre of Excellence

The University, through its various academic activities and innovative pedagogies, is emerging as a centre of excellence. Our growing number of research projects, publications and meaningful interventions are testimony of our claim. It has been gaining steady progress in attracting talent pool from both national and international community. Our untiring efforts to engage industry and incorporate required skill sets in our curriculum have started yielding results in developing various incubators and development centers in major sunrise sectors. There are a few core areas that the University places major thrust on, such as:

- University is emerging as a base for researching, experimenting, and delivering.
- Launching programmes in AI, Data Science and Cyber Security etc. allows us to take the first step towards integrating these technologies by building applications for the larger benefits of the society.
- AI applications driven business objectives, build strong capabilities in other emerging technologies and deploy these applications.

University is focusing on research on various areas such as social sciences, human resource development, biosciences, energy and environment, physical sciences, Buddhist studies and its application in present world scenario, etc. with the aim of high-quality publications in journals and filling of patents of inventions. The University places major thrust on the application of computational biology, systems biology, structural biology and bioinformatics, molecular design, molecular modelling, structural pharmacology, and computational immunology. In addition, the University also focuses on Genomics, Molecular Science, etc.

6.1 UNIVERSITY SCHOOL OF MANAGEMENT (USoM)

The School provides a two-year MBA Program with specializations in Human Resource Management, Marketing, Finance, Operations, and Business Analytics. In collaboration with IBM, the MBA (Business Analytics and Data Science) program is tailored to meet industry standards, addressing the increasing demand for professionals in business analytics within the corporate sector. Additionally, the School offers a Five-Year Dual Degree Program (BBA+MBA) with an exit option after the BBA, featuring a diverse selection of electives in Finance, Marketing, Human Resources, and Business Analytics, along with opportunities for summer training and internships. The curricula are designed with flexibility to adapt to the rapidly evolving regional and global landscape. Unique courses across various programs have gained popularity among students and industry professionals alike. Internships and research projects are essential components of all programs, providing students with valuable exposure to the corporate environment. The School boasts modern classrooms equipped with advanced computing and multimedia facilities, supported by a comprehensive central library that includes books, journals, and electronic databases. The curriculum for all academic programs is consistently updated to align with corporate requirements. Furthermore, the programs cater to the needs of working professionals seeking to enhance their management skills. The Executive MBA program is specifically designed to accommodate the diverse needs of these professionals, with classes scheduled on weekends to facilitate skill acquisition through a master's degree. According to a recent survey, the School has been ranked as the **fifth-best business school in India** among government B-Schools nationwide. At USoM, we are committed to ensuring that the education provided is relevant to the demands of the corporate world.

Laboratories: Computer Labs, Professional, Development & Communication Lab, SPSS Lab etc.

PROGRAMMES OFFERED AT USoM					
Programme (s)		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	
Code	Name				
UNDER GRADUATE					
UMG01	Dual Degree BBA+MBA [with exit option after BBA]	10+2 in any stream securing minimum 50% marks (45% for SC/ST) or equivalent grade.	120 Seats 5 Years (10-Semester)	Direct admission based on merit in qualifying examination	
UMG02	B.Com. (Hons.) Bachelor of Commerce (Hons.)		180 Seats (4 Years) (Duration and exit option as per NEP 2020)		
POST GRADUATE					
PMG01	MBA Master of Business Administration Dual Specializations*: • Business Analytics • Finance • Human Resource Management • Marketing • Operations	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	120 Seats 2 Years (4-Semester)	GBU-ET	Reasoning & Aptitude - [30] Mathematical Ability & Data Interpretation - [30] English Proficiency - [20] General Awareness- [20]
PMG04	MBA Master of Business Administration (Business Analytics and Data Science) in association with IBM or any equivalent reputed Industry	Bachelor's Degree in any discipline from a recognized University / College / Institution with minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade and having Mathematics / Statistics / Quantitative Techniques as one of the subjects at 10+2 or Graduation Level.	30 Seats 2 Years (4-Semester)	GBU-ET	Reasoning & Aptitude - [30] Mathematical Ability & Data Interpretation - [30] English Proficiency - [20] General Awareness - [20]
WORKING PROFESSIONALS ONLY					
PMG03	MBA (Executive) Master of Business Administration	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade and having minimum one year work experience.	20 Seats 2 Years (4-Semester)	Direct admission based on merit in qualifying examination	

*(To be offered based on minimum number of students opting)

PROGRAMMES OFFERED AT USoM					
Programme (s)		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	
Code	Name				
DOCTORAL					
RMG01	Ph.D. Doctor of Philosophy (Management)	Master's Degree in Management or relevant discipline including Technical Discipline(s) as per NEP 2020 Guidelines, with minimum 55% aggregate marks (50% in case of SC / ST / OBC (non-creamy layer)/ Differently abled / EWS) or its equivalent grade.	Finance and Economics, Strategy, Operations & Decision Sciences, Business Analytics, HRM (For Area wise availability of seats, Pls refer University's website)	GBU-ET / as per UGC Rules	Research Methodology - [50] Subject Awareness - [50]

Valid CAT / MAT / GMAT / CMAT / XAT Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant after GBU-ET)

6.2 UNIVERSITY SCHOOL OF INFORMATION AND COMMUNICATION TECHNOLOGY (USICT)

University School of Information and Communication Technology (USICT) was established in 2009. It has five departments; Computer Science and Engineering, Electronics and Communication Engineering, and Information Technology. The school of ICT has the history of producing skilled doctorate, postgraduate and undergraduate professionals in the emerging Technology. The University School of areas of Information and Communication education and research. The School aims to produce competent professionals having strong sense of social responsibilities and to become a hub of research and development activities of national and international recognition. The academic programmes are designed in line with the best Universities around the world. The School combines the best pedagogy and class room teaching, complemented by practical training and experiential learning.

Laboratories

The School combines the best practices of pedagogy and class room teaching, complemented by Computer Lab-1, Computer Lab-2, Computer Lab-3, Computer Vision Lab Basic Electronics Laboratory, Electronic Circuits Lab, Logic Design Lab, Artificial Robotics Technologies Lab, Optical Communication Lab, Analog Communication Lab, VLSI Design Lab, DSP Lab, Microprocessor and interfacing Lab, Microwave & Antenna Lab, Electronics Workshop, Computer Networking Lab, Expert System Lab, Multimedia Technology Lab, Parallel Processing Lab, Advance Digital Communication Lab, Research and Projects Lab, Open Source Software Lab, Embedded System Lab, Image Processing Lab and training and experiential learning.

6.3 UNIVERSITY SCHOOL OF BIOTECHNOLOGY (USoBT)

The objective of the University School of Biotechnology (USoBT) is to generate high quality professionals and researchers by offering various academic programmes in Biotechnology, and to develop a premier biotechnology teaching and research Department catering the needs and challenges of the region and the country. The School's vision is to provide quality teaching with strong core science concepts, and application-oriented undergraduate and post-graduate education along with solid foundation in the rapidly expanding fields of biotechnology that enable them to produce high quality professionals. The goal is to provide students with a sound knowledge and understanding of current theories, concepts and laboratory practices in Biotechnology, such as, molecular biology, bio chemistry, microbiology, immunology, genetics and cell biology, which are in turn linked to practical disciplines like chemical engineering, physics, and information technology. The School is dedicated to provide quality service through teamwork, partnerships and developing research spirit for the professional strength of community and individual. The faculty are available timely to the students for academic as well as personal counseling. The School has been encouraging the students to independently think as well as implement research ideas.

A breathtaking diversity of the unicellular and the multicellular life forms offers fascinating research opportunity in Biotechnology. The University School of Biotechnology is engaged in cutting edge research and teaching in diverse areas of biotechnology. The School is an active center of basic and applied research. The faculty members of the School can clearly be distinguished in terms of proven academic engagement, and diverse background. They are alumni of various prestigious Universities/ institutes, such as, AIIMS, JNU, DU, ICGEB, and ICAR, etc. Some of them have been the “winners of excellence award in research”. The Department is involved in research areas, such as, Diseases Diagnostics, Cancer Biology, Genomics and Genome Engineering, Crop Improvement, Tissue Culture, Structure-based drug design, Antimicrobial drug resistance, Development of novel antibiotics, Three dimensional structure determination of enzymes and proteins, and production of enzymes for diagnostics and industrial applications, etc. The School has also earned reputed DST-FIST grant for infrastructure improvement from the Ministry of S&T, Government of India. Faculty of the University School of Biotechnology have also acquired extramural research grants of more than 14 crores from various government agencies, such as, ICMR, DBT, BIRAC, DST, CST-UP and CSIR, etc. The USoBT is active in promoting Academia-Industry linkages through MoUs with the leading industries. The Scientific Social Responsibility is achieved by organizing Hands-on-Trainings in addition to the regular educational and research activities. The School of Biotechnology has organized a number of Seminars, Conferences, Workshops and Awareness Programmes through regular lectures by the Expert Faculty and the eminent Guest

Lecturers. The Department is well-equipped with all the necessary instruments and number of research facilities.

Laboratories

Apart from basic laboratories, the School has state-of-the-art research facilities and laboratories including Advanced Plant and Animal Tissue Culture Lab, Molecular Biology Lab, Microbiology Lab, Bioprocess and Fermentation Lab, Genomics & Proteomics Lab, and Bioinformatics Lab for UG / PG / Ph.D. Students.

POST GRADUATE					
PBT02	M.Sc. Master of Science (Biotechnology)	B.Sc. Degree in Life Sciences/ Biology/ Biotechnology or any area of Biology from any recognized University/ College with minimum 50% marks (45% for SC/ST) or equivalent grade.	(30 seats) 2 Years (4-Semesters)	20 seats through Direct admission based on merit in qualifying examination / 10 seats through GAT-B	
PBT03	M.Sc. Master of Science (Molecular Medicine)		(10 Seats for each programme) 2 Years (4-Semesters)	Direct admission based on merit in qualifying examination	
PBT04	M.Sc. Master of Science (Bio informatics and Genomics)				
PBT05	M.Sc. Master of Science (Microbiology)				
PBT06	* Integrated M.Sc. – Ph.D. (Life Sciences and Systems Medicine) (With Exit option after M.Sc.) *Initially, admissions is offered at Masters level.	Bachelor's degree in Biotechnology, Bioinformatics, Life Sciences, Medicine (MBBS/BDS), BAMS, Pharmacy, Zoology, Microbiology, Biochemistry or related areas with a minimum of 50% marks (45% for reserved categories).	(10 Seats)	Direct admission based on merit in qualifying examination	
DOCTORAL					
RBT01	Ph.D. Doctor of Philosophy* (Biotechnology) *(Preference will be given to the candidates having research fellowship.)	Master's Degree in any discipline of Life Science/ Allied Sciences with minimum 55% aggregate marks (50% in case of SC/ST/OBC (non-creamy layer) / Differently-abled/ EWS) or its equivalent grade in Master's degree obtained from any of the recognized Universities / institutions established and / or approved by law.	For Area wise availability of seats, refer University's website	GBU-ET / as per UGC Rules	Research Methodology - [50] Subject Awareness – [50]

6.4 UNIVERSITY SCHOOL OF ENGINEERING (USoE)

The University School of Engineering (USoE) has earned recognition for its commitment to excellence from its inception. The School is enriched by Civil Engineering, Electrical Engineering, Mechanical Engineering and Architecture & Regional Planning departments. The School has experienced faculty helping the students to develop technical expertise and also guide them for various events and workshops that require self- commitment, problem- solving skills, field trips and internships. The School has upheld commitment to the liberal skills and aptitudes in all their breadth and depth to encourage students to expand

their talents and skills not only in technical education but also in career enhancement and personality building too. The School also offers numerous leadership opportunities with various technical and professional augmentation establishments viz. the SAE-GBU Collegiate club, GBU- IEEE Student Chapter, CEAS-GBU. A strong technical core forms the foundation for a wealth of Bachelor, Master and Doctoral degree programs offered through USOE.

Laboratories

Civil Engineering Labs: Material Testing, Concrete, CAD, Structural Analysis, Transportation, Soil, Mechanics, Environmental Engineering, Advanced Environmental Engineering, Surveying, Engineering Graphics, Building Design & Drawing, Design, Remote Sensing & GIS, and Hydraulics.

Electrical Engineering Labs: Basic Electrical Engineering, Electrical Machine, Simulation (Python and MATLAB/ Simulink), Power System, Switchgear and Protection, Measurement and Instrumentation, Network, Power Electronics Electric Drives, Control System, Bio-medical and Virtual Instrumentation, Digital and Non-Linear Control, Distribution Network, Power System Simulation, Advance Electric Drives, Power Converter and Simulation, Advance Instrumentation and Control.

Mechanical Engineering Labs: Engg. Workshop, Fluid Mechanics, Fluid Machines, Automobile, Dynamics of Machine, Manufacturing, Refrigeration and Air conditioning, Vibration, Advance Thermal IC Engine. Upcoming Labs: Meteorology and Instrumentation Lab, Advanced Manufacturing Lab - I & II.

Architecture & Planning Labs: Model Making, Building Material, Eco-Design, Auto Cad, Construction yard, Art Court, Climatology, Photography, Labs shared with Civil-Survey, GIS & Remote sensing.

(20 Seats) 2 Years (4-Semester)	Direct admission based on merit in qualifying examination
PEG05	M.Tech. Master of Technology (Mechanical Engineering) Specializations: • Design Engineering • Manufacturing Engg. • Thermal Engineering	Bachelor's Degree in Mechanical Engineering or equivalent with minimum 55% marks (50% for SC/ ST) or equivalent grade.	10 Seats in each Specialization) 2 Years (4-Semester)	
PEG08	M.Des. Master of Design	Bachelor's Degree in Design / Architecture / Engineering or with minimum passing marks 50% (45% for SC/ST) or equivalent grade.	(20 Seats) 2 Years (4-Semester)	Direct admission based on merit in qualifying examination and interview
UNDER GRADUATE FOR WORKING PROFESSIONALS				
UEG04	B.Tech. Bachelor of Technology (Civil Engineering)	3 Year Diploma (Civil Engineering) from any recognized Institution Minimum 2 Year Experience.	(20 Seats in each programme) 4 Years (8-Semester)	Direct admission based on merit in qualifying examination
UEG05	B.Tech. Bachelor of Technology (Mechanical Engineering)	Passed 3 years / 2 years Diploma Examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in any branch of Engineering and Technology. (Minimum 02 Years Experience). OR B.Sc. Degree from a recognized University as defined by UGC with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with mathematics as subject. (Minimum 02 Years Experience). OR Passed D. Voc. Stream in the same or allied sector. (Minimum 02 Years Experience).

Code	Name				
POST GRADUATE FOR WORKING PROFESSIONALS					
PEG03	M.Tech. Master of Technology (Civil Engineering) Specialization: • Structural Engineering	4 Year B.E. / B.Tech. (Civil Engineering) from any recognized Institution Minimum 2 Year Experience	(10 Seats in each programme) 3 Years (6-Semester)	Direct admission based on merit in qualifying examination	
PEG06	M.Tech. Master of Technology (Electrical Engineering) Specializations: • Instrumentation & Control Engineering • Power Electronics & Drives • Power Systems	Bachelor's Degree in Electrical / Electronics / Instrumentation Engineering or equivalent/ M.Sc. (Electronics) with minimum 55% marks (50% for SC/ST) or equivalent grade.			
PEG07	M.Tech. Master of Technology (Mechanical Engg.)	Bachelor's Degree in Mechanical Engineering or equivalent with minimum 55% marks (50% for SC/ST) or equivalent grade.			
DOCTORAL					
REG01	Ph.D. Doctor of Philosophy (Electrical Engineering)	Master's Degree in Engg./ Technology in relevant area with minimum 55% aggregate marks (50% for SC/ST/OBC (non-creamy layer) / Differently-abled/ EWS) or its equivalent grade	For Area wise availability of seats, refer University's website	GBU-ET / as per UGC Rules	Research Methodology - [50] Subject Awareness - [50]
REG02	Ph.D. Doctor of Philosophy (Architecture and Planning)	Master's Degree in Architecture/ Planning with minimum 55% aggregate marks (50% marks in case of SC/ST/OBC (Non-creamy layer) / Differently-abled / EWS) or its equivalent grade.			
REG03	Ph.D. Doctor of Philosophy (Mechanical Engineering) Specializations: • Design Engineering • Manufacturing Engineering • Thermal Engineering • Industrial Engineering	M. Tech./ME in relevant area with minimum 55% aggregate marks (50% in case of SC /ST/OBC (non-creamy layer) /Differently- abled/ EWS) or its equivalent grade			
REG04	Ph.D. Doctor of Philosophy (Civil Engineering)	M. Tech. (in relevant area of Civil Engineering) With minimum 55% aggregate marks (50% in case of SC/ ST/OBC (non-creamy layer/ Differently - abled/ EWS) or its equivalent grade

LATERAL ENTRY IN B.TECH.				
LIE01	B.Tech. Bachelor of Technology (Civil Engineering)	Same as per eligibility in Lateral Entry programme of USICT at page no. 25.	As per AICTE rules or as per vacant seats available in 3 rd Semester	Valid JEE Score OR Direct admission based on merit in qualifying examination
	B.Tech. Bachelor of Technology (Mechanical Engineering)			
	B.Tech. Bachelor of Technology (Electrical Engineering)			

6.5 UNIVERSITY SCHOOL OF VOCATIONAL STUDIES AND APPLIED SCIENCES (USoVSAS)

The University School of Vocational Studies and Applied Sciences (USoVSAS) comprises of primary disciplines of Physics, Chemistry and Mathematics along with two interdisciplinary subjects, viz., Environmental Science, and Food Processing and Technology. All academic programmes of the School lay emphasis on the integration of the existing theoretical knowledge with practical applications. Through its academic and research staff, the School possesses a huge depth and breadth of scientific and technological knowledge. The School offers core courses in Physical, Chemical and Mathematical Sciences to undergraduate students of all branches of Engineering, Biotechnology and Information & Communication Technology. The Course “Environmental Studies” is offered to all Undergraduate students of all streams of education as “Ability Enhancement Compulsory Course”. The School has been successfully conducting doctoral / postgraduate programmes in Physics, Chemistry, Mathematics, Food Processing & Technology, Food Science, and Environmental Science since 2011-12.

The School started its undergraduate programme B.Sc.(Hons) in Physics, Chemistry and Mathematics from academic session 2019-20, B.Sc. in Mathematics, Statistics, and Economics from the academic session 2023-24, B.Sc. (Hons.) in Environmental Science from the academic session 2024-25, and P.G. Diploma programme from the academic session 2022-23. These programmes of the School support specialized interdisciplinary fields of teaching, research and industry engagement in polymer chemistry, green chemistry, pharmaceutical chemistry, environmental science, food processing and technology, food science, photonics & optoelectronics, semiconductor optoelectronics devices, plasmonics, thin films, nanotechnology, computational fluid dynamics, operations

research, functional differential equations, cryptography, number theory, and mathematical problems in extreme weather events. The School has been very active in conducting workshops, organizing national and international conferences and seminars, and has well-acknowledged faculty research profile. Some of the faculty members have been the “winners of excellent award in research”. The research activities in the School have been supported by government agencies, such as, DST, CSIR and UPCST.

The USoVSAS is promoting actively the Academia-Institutions-Industry linkages through Memorandum of Understandings (MoUs) with leading national and international Universities, R & D Institutions, and industries. The “Scientific Social Responsibility” is achieved by organizing field visits to slums and urban-rural areas, and activities during celebration of the Earth Day, World Environment Day, World Food Day, National Science Day and National Mathematics Day.

Laboratories

Apart from the basic laboratories for undergraduate Engineering and Science students, the School has advanced practical and computational laboratories in various disciplines for postgraduate/doctoral students. These are: Physics Labs, Chemistry Labs, Mathematics Computer Labs, Environmental Science Labs, and Food Processing & Technology Labs.

PROGRAMMES OFFERED AT USoVSAS

Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection
Code	Name			
UNDER GRADUATE				
UFT01	B. Tech. Bachelor of Technology (Food Processing and Technology)	10+2 examination with Physics, Chemistry and Mathematics / Biology / Technical Vocational Subject, securing an aggregate at least 50% marks for General Category candidates (45% for SC/ST). Candidates must have secured minimum 40% marks separately in Physics, Chemistry and Mathematics / Biology / Vocational Subject.	(20 Seats) 4 Years (8-Semester)	Valid JEE Score OR Direct admission based on merit in qualifying examination
UMC01	B.Tech. Bachelor of Technology (Mathematics and Computing)	10+2 with Physics and Mathematics as compulsory subjects. Obtained at least 45% marks (40% for SC/ ST) in the above subjects taken together OR as per AICTE rules.	(10 Seats) 4 Years (8-Semester)	
UVS02	B.Sc. (Hons.) Bachelor of Science (Hons.) (Physics)	10+2 with Physics, Chemistry and Mathematics / Statistics securing aggregate minimum 45% marks (40% for SC/ST). Must have passed theory and practical separately.	(30 Seats) (Duration and exit option as per NEP 2020)	Direct admission based on merit in qualifying examination
UVS03	B.Sc. (Hons.) Bachelor of Science (Hons.) (Chemistry)	10+2 with Physics, Chemistry and Mathematics/ Biology securing aggregate minimum 45% marks (40% for SC/ST) Must have passed theory and practical separately.	(30 Seats in each programme) (Duration and exit option as per NEP 2020)	
UVS04	B.Sc. (Hons.) Bachelor of Science (Hons.) (Mathematics)	10+2 with Physics, Chemistry and Mathematics securing aggregate minimum 45% marks (40% for SC/ST) in the qualifying exam.	(Duration and exit option as per NEP 2020)	
UVS05	B.Sc. (Hons.) Bachelor of Science (Hons.) (Mathematics, Statistics, Economics)	10+2 with Mathematics as compulsory subject, securing aggregate minimum 45% marks (40% for SC/ST) in the qualifying exam.	(10 Seats) (Duration and exit option as per NEP 2020)	
UVS06	B.Sc. (Hons.) Bachelor of Science (Hons.) (Environmental Science)	For National Student: 10+2/Higher Secondary in Science Stream with compulsory Biology / Physics and Chemistry securing minimum 50% marks (45% for SC/ST) or equivalent grade. For International Students: 10+2 in Science (with pre-requisite courses) with minimum 50% marks in the qualifying examination or equivalent grade.	(30 Seats) 4 Years (8-Semester) (Duration and exit option as per NEP 2020)

POST GRADUATE				
PVS01	M.Tech. Master of Technology (Food Processing and Technology)	B.E./B.Tech. Degree in Food Processing and Technology/ Food Technology/ Food Science and Technology / Dairy Technology / Agricultural Engg. / Agricultural Biotechnology / Biochemical Engg. / Chemical Engg. or M.Sc. (Food Science / Food Technology / Chemical Technology / Life Science / Biotechnology / Dairy Technology / Food Science and Nutrition) or allied Subjects from a recognized University with securing minimum 50% marks for General Category candidates (45% marks for SC/ST) or equivalent grade.	(10 Seats) 2 Years (4-Semester)	Direct admission based on merit in qualifying examination
PVS02	M.Sc. Master of Science (Applied Chemistry) (Specialization in: • Pharmaceutical /Medicinal Chemistry • Polymer Chemistry • Green Chemistry • Natural products • Nanomaterials)	Bachelor's Degree with Chemistry as one of the subjects for three years/ six semesters from a recognized University/ College with securing minimum 50% marks (45% for SC/ ST) or equivalent grade.	(20 Seats) 2 Years (4-Semester)	
PVS03	M.Sc. Master of Science (Physics) (Specialization in: • Energy Studies • Photonics Technology • Quantum Technology • Astronomy & Astrophysics)	Bachelor's Degree with Physics (Hons) or Bachelor's degree in Physical Sciences / Electronics Sciences / Mathematics with Physics as one of the subjects for three years / Six semesters programme from a recognized University / College with securing minimum 50% marks (45% for SC/ST) or equivalent grade.	20 Seats 2 Years (4-Semester)	
PVS04	M.Sc. Master of Science (Mathematics)	Bachelor's Degree with Mathematics/Statistics as one of the subject for at least two years/ Three semesters from a recognized University / College with securing minimum 50% marks (45% for SC/ ST) or equivalent grade.	(20 Seats) 2 Years (4-Semester)	
PVS05	M.Sc. Master of Science (Environmental Science)	Bachelor's Degree in Science/ Agricultural Science (Ag.) / Technology discipline from a recognized University / College with securing minimum 50% marks (45% for SC/ST) or equivalent grade.	(20 Seats) 2 Years (4-Semester)

RVS01	Ph.D. Doctor of Philosophy (Applied Chemistry) Specialization in: • Medicinal / Pharmaceutical Chemistry • Polymer • Synthetic Chemistry • Geen Chemistry • Water Remediation • Natural Products • Nanomaterials	Master's Degree in Chemistry/ Applied Chemistry with minimum 55% aggregate marks (50% in case of SC/ST/OBC (non-creamy layer)/Differently-abled/ EWS) or its equivalent grade	For Area wise availability of seats refer University's Website	GBU-ET / as per UGC Rules	Research Methodology - [50] Subject Awareness - [50]
RVS02	Ph.D. Doctor of Philosophy (Physics)	Master's Degree in Physics / Applied Physics / Electronics or relevant subject with minimum 55% aggregate marks (50% in case of SC/ST/ OBC (non-creamy layer)/ Differently-able/ EWS) or its equivalent grade.			
RVS03	Ph.D. Doctor of Philosophy (Mathematics)	Master's Degree in Mathematics /Applied Mathematics / Statistics or relevant subject with minimum 55% aggregate marks (50% in case of SC/ ST/ OBC (non-creamy layer)/ Differently-abled/ EWS) or its equivalent grade			
RVS04	Ph.D. Doctor of Philosophy (Environmental Science)	Master's Degree in Environmental Science/ M.Sc. Environmental Studies/ M.Sc. Environmental Management with 55% aggregate marks [50% in case of SC/ ST/ OBC (non-creamy layer)/Differently-abled/ EWS] or its equivalent grade			
RVS05	Ph.D. Doctor of Philosophy (Food Processing and Technology)	Master's Degree in Food Processing and Technology / Food Engineering / Agricultural Engineering / Food Science / Food Technology / Food Processing and Technology / Dairy Technology with minimum 55% aggregate marks [50% in case of SC/ST/OBC (non-creamy layer) / Differently-abled/ EWS] or its equivalent grade.			

6.6 UNIVERSITY SCHOOL OF HUMANITIES AND SOCIAL SCIENCES (USoHSS)

The University School of Humanities and Social Sciences (USoHSS) is interdisciplinary in approach. It plays the pivotal role of exposing the students to an environment that is conducive to develop understanding of contemporary social issues through inter-relationship of science, technology and management. The School has a unique and distinctive role of hosting creative educational programmes that focus on creating holistic understanding of complexities of life in social context with emphasis on Indian cultural

values. The School is committed to provide an interdisciplinary and integrative pedagogical interface to learners so as to nurture them into competent human beings. The academic programmes, designed in line with the best Universities around the world, combine the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning. The School encourages research and focuses on providing its students an atmosphere for rigorous academic and intellectual development through competent faculty members.

Laboratories

Clinical Psychology Laboratory & OPD Services: Mental Health Clinic, Child and Adolescent Clinic, Neuropsychological Clinic, Mental Retardation and Development Pathology Clinic, De-addiction Clinic and Psychosexual Clinic, on specific week-days. Social Work Practice Lab, Psychology Lab, Social Science Lab, ICT Lab, Curriculum Lab.

RHS08	Ph.D. Doctor of Philosophy (History)	Master's Degree in History or any other relevant discipline with minimum 55% aggregate marks (50% in case of SC/ST/OBC (non-creamy layer)/ Differently-abled/EWS) or its equivalent grades.			
RHS09	Ph.D. Doctor of Philosophy (Social Work)	Master's Degree in Social Work with minimum 55% aggregate marks (50% for SC / ST / OBC (non - creamy layer)/ Differently-abled/ EWS) or its equivalent grades.			
RHS10	Ph.D. Doctor of Philosophy (Hindi) Specializations: Stree - Vimarsh, Hindi Diaspora, Adhunik Hindi Kavita, Kahaani, Upanyas.	Master's Degree in Hindi with minimum 55% aggregate marks (50% in case of SC/ST/OBC (non-creamy layer) Differently-abled / EWS) or its equivalent grade.			

6.7 UNIVERSITY SCHOOL OF BUDDHIST STUDIES AND CIVILIZATION (USoBSC)

The University School of Buddhist Studies and Civilization (USoBSC) has been set up with a vision to produce the erudite scholars and distinguished researchers in the field of Buddhist Studies in order to develop and cater their knowledge to serve the humanity. The School adopts interdisciplinary and multidimensional approaches with the help of other sciences and social sciences like Archaeology, History, and Philosophy etc. for producing scientific researches. The School is well supported by talented and innovative faculty members, who are striving hard to establish the School as an institution of repute with their pioneer researches, conference participations, and academic endeavours and able to encourage scientific inquiry and inquisitiveness among the students as well as

academicians. It would facilitate acquisition of specialized knowledge in Buddhist History, Philosophy, and Literature existing in Pali, Sanskrit, Chinese, Burmese, Sinhalese and Tibetan languages and their literature. With a very rich library, a grand meditation centre, a serene campus, the School promises a very productive academic engagement and practice of Buddhist techniques of Vipassana meditation under qualified supervision. In addition to the above, the School provides an ideal forum for cross-cultural and international dialogues, with regular sessions with scholars, conventions, symposia, seminars, conferences, lecture series, etc. It is open to academic collaborations, joint research programmes and faculty & student exchange programmes with academic institutions of repute dedicated to Buddhist Studies. In these programmes not only Indian but foreign students are also enrolled. School is running compulsory courses of "Human Values & Buddhist Ethics" and "Buddhist Moral Values and Contemporary Society" for UG and PG programmes respectively. The School has MoU with Dhammachai International Research Institute, MoU Donggulk University with MIMC, Leh, and many more tie-up with institutions of repute in South Korea, Taiwan, Vietnam, Myanmar, Thailand, Sri Lanka etc. are in progress and will take their final shape in near future.

PROGRAMMES OFFERED AT USoBSC					
Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	
Code	Name				
UNDER GRADUATE					
UBS01	B.A. (Hons.) Bachelor of Arts (Hons.) (Buddhist Studies)	10+2 in any discipline from School/college established by law with minimum 45% marks (for General & OBC) and 40% (for SC/ST) or equivalent grade.	(30 Seats) (Duration and exit option as per NEP 2020)	Direct admission based on merit in qualifying examination	
POST GRADUATE					
PBS01	M.A. Master of Arts (Buddhist Studies)	Bachelor's Degree in any discipline from recognized University/ College established by law with minimum 45% marks (for General and OBC) and 40% (for SC/ST category) or equivalent grade.	(30 Seats) 2 Years (4-Semester)	Direct admission based on merit in qualifying examination	
DOCTORAL					
RBS01	Ph.D. Doctor of Philosophy (Buddhist Studies)	Master's Degree in Buddhist Studies/Pali or relevant subject's viz History, Sanskrit & Philosophy only with 55% marks (for General) and 50% (for SC/ ST/OBC (non-creamy layer)/Differently-abled/ EWS) or its equivalent grade. Preference will be given to Buddhist Studies / Pali.	For area wise availability of seats refer University's website	GBU-ET/as per UGC Rules	Research Methodology - [50] Subject Awareness - [50]

6.8 UNIVERSITY SCHOOL OF LAW, JUSTICE & GOVERNANCE (USoLJG)

University School of Law, Justice and Governance, being integral part of Gautam Buddha University, has been operational since 2011 with its core objective to promote teaching, learning, research and innovation in the fields of law and governance. In pursuit of its objective, the School is running four programmes: Integrated five year B.A. LL.B. at graduation level; LL.M. (One Year) and LL.M. (Two Year) for working professionals at Post Graduation level and Ph.D. in the diverse fields of Law. The ongoing B.A. LL.B programme of the School attempts to strike a balance between the compulsory subjects prescribed by the Bar Council of India (BCI) along with the subjects enhancing the employability skills and also increases their prospects in legal field.

Moreover, the School aims to set a balance between the theoretical knowledge with practical learning and development of skills and professional attitude through clinical legal education. The students are guided to participate in moot-court practice, Legal aid, debate, essay writing and project work to instill in them the confidence to take up the challenges of their future career more prolifically and proficiently. The Post Graduate LL.M. (Two Year) programme, which was started in 2017, is directed towards more advanced legal studies by following directives of the University Grant Commission (UGC) and necessity of promoting high standard disciplinary knowledge among students.

Considering the demand of the students and to stop best legal minds to go abroad for pursuing similar programme, the department has started one year LL.M programme in 2019. Along with same the school has started LL.M. (Two Years) weekend for working professional in the year of 2023.

Without research and innovation no centre of learning can attain excellence and therefore, the School envisages endorsing high quality research in the multi-disciplinary fields of law. The Ph.D. programme of the School vigorously takes up this noble objective. The School currently employs highly motivated and dedicated full-time academicians, who have doctoral degrees in various fields of Law, Social Sciences and Humanities from different nationally and internationally reputed universities/institutions.

The Computer Lab: A computer lab at the School has been set up to have an access to the online journals (155), including AIR, SCC online web edition Platinum Plus with HeinOnline etc. and EBC e-books.

Moot-Court: The School has moot-court facility to provide a practical experience to the students. School has Conducted National Moot competitions in which CJI Judges of SC/HC, Attorney General and other Sr. Advocates were invited as adjudicators and Chief Guest.

School Library: The School under BCI guidelines has set up its own library with access to online and offline (hard- bound) study materials.

The Legal Aid Centre: The School under BCI mandate has set up the Legal Aid Centre to provide free legal aid to the marginalized section of the society in collaboration with District Legal Service Authority. **Pro Bona club** has received recognition from the Ministry of Law for the session 2024-25. This esteemed recognition is a testament to our association with the Legal Aid Clinic, School of Law, Justice & Governance, Gautam Buddha University, Greater Noida (U.P.).

PROGRAMMES OFFERED AT USoLJG					
Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	
Code	Name				
UNDER GRADUATE					
ULJ01	B.A. LLB.	Passed 12th with minimum 45% marks for Gen, 42% for OBC (Non-creamy layer), (40% for SC/ST) or equivalent grade and as per BCI rules. The Candidates awaiting results of the qualifying examination can appear for the test on the condition that they produce proof of having passed the qualifying examination with the prescribed marks before or at the time of counseling. *The 3 year Diploma / polytechnic course issued by an institution recognized by the Government shall be considered at par with +2 certificate for the purpose of admission to the 5 year integrated LL.B. Degree Course.	(120 Seats) 5 Years (10-Semester)	National Level Entrance Exam OR Valid UG CLAT Score OR Direct admission based on merit in qualifying examination	
POST GRADUATE					
PLJ01	LL.M. (1 Year) *	The Candidate should have passed the Law Degree or an equivalent degree from a recognized University by UGC with not less than 50% marks in aggregate (45% in case of SC/ST candidates of UP). The Candidates awaiting results of the qualifying examination can appear for the test on the condition that they produce proof of having passed the qualifying examination with the prescribed marks before or at the time of counseling.	(20 Seats) 1 Year (2-Semester)	GBU-ET English Proficiency -[15] Teaching / Research Aptitude - [15] Subject Awareness - [70]	
POST GRADUATE FOR WORKING PROFESSIONALS					
PLJ02	LL.M. (2 Year) *	Eligibility as per LL.M. one Year programme	(20 Seats) 2 Year (4-Semester)	GBU-ET is as per LL.M. one Year programme	
DOCTORAL					
RLJ01	Ph.D. Doctor of Philosophy (Law)	Postgraduate Degree in Law with at least 55% marks or equivalent grade (50% in case of SC/ST/OBC (non-creamy layer)/Differently- abled / EWS and other categories as per the decision of UGC from time to time)	For Area wise availability of seats refer University's website	GBU-ET / as per UGC Rules	Research Methodology - [50] Subject Awareness - [50]

*For LL.M. Programme, the weightage to entrance test and interview will be given as 70% & 30%, respectively. The interview will be based on as per UGC norms

7.0 FEE STRUCTURE AND GENERAL INFORMATION

The fee structure comprises Counseling cum Registration Fee, Security Fee, Library Fee, Sports Fee, Examination Fee and Academic Fee applicable to National and International Students of the University. The details of the fee structure for Indian Nationals comprising the three components Table A, B and C are follows:

7.1 Fee Structure for Indian Nationals

A. Registration Fee for All Programmes (National Students Only)

S.NO.	PARTICULARS	AMOUNT IN RS.
1	Counseling cum Registration Fee (Rs.) (One Time)	10000/-
2	Security Fee (Rs.) (One Time) (REFUNDABLE)	10000/-

B. Common Fees For All Programmes

S.NO.	PARTICULARS	AMOUNT IN RS.
1	Library Fee (Rs.) (Per Semester)	750/-
2	Sports Fee (Rs.) (Per Semester) except Weekend Programmes and Ph.D. Working Professionals	750/-
3	Exam Fee (Rs.) (Per Semester)	2500/-
4	Health Insurance Fee (Annual)*	1100*/-

C. Academic Fees (Programme Wise)

S.No.	PROGRAMME (S)	ACADEMIC FEE (RS.) Per Semester
UNIVERSITY SCHOOL OF ENGINEERING		
1	B.Tech. (Electrical Engineering and other Specializations / Civil Engineering)	75,000/-
2	B.Tech. (Mechanical Engineering) Minor Automobile and Industrial Engineering / Minor Mechatronics and Automation	75,000/-
3	B.Tech. Electrical and Computer Engineering/ Electrical and Electronics Engineering / (Robotics and Artificial Intelligence)	75,000/-
4	B.Tech. Civil Engineering / B.Tech. Mechanical Engineering [Working Professionals Only]	75,000/-
5	Integrated B. Tech.-M. Tech. (Electrical Engineering) / MBA	75,000/-
6	Integrated B. Plan - M. Plan	75,000/-
7	Bachelor of Architecture	1,00,000/-
8	Bachelor of Design (Interior Design / Textile Design)	42,000/-
9	Master of Urban and Regional Planning	45,000/-
10	Master of Design	60,000/-
11	All M.Tech.	60,000/-
12	All B.Tech. (Through Lateral Entry)	75,000/-
13	All M.Tech. [Working Professionals Only]	60,000/-

S. No.	PROGRAMME (S)	ACADEMIC FEE (RS.) Per Semester
UNIVERSITY SCHOOL OF INFORMATION AND COMMUNICATION TECHNOLOGY		
1	B.Tech. Computer Science and Engineering	1,10,000/-
2	B.Tech. Computer Science and Engineering with other Specializations	1,20,000/-
3	B.Tech. Computer Science and Engineering (Artificial Intelligence)	1,50,000/-
4	B.Tech. (Electronics and Communication Engineering) / (Information Technology) and other Specializations	75,000/-
5	Integrated B.Tech.-M.Tech. (Computer Science and Engineering)/ (Electronics and Communication Engineering)	80,000/-
6	Bachelor of Computer Applications	45,000/-
7	Master of Computer Applications (AI/DS)	50,000/-
8	All M. Tech	60,000/-
9	B.Tech. (Computer Science and Engineering) [Through Lateral Entry]	1,00,000/-
10	B.Tech. (Computer Science and Engineering) specializations (Cyber Security / Data Science / Machine Learning) [Through Lateral Entry]	1,10,000/-
11	B.Tech. (CSE with specializations in Artificial Intelligence) [Through Lateral Entry]	1,35,000/-
12	B.Tech. (Electronics and Communication Engineering)/ (Information Technology) [Through Lateral Entry]	75,000/-
13	M.Tech. (Computer Science and Engineering) [For Working Professionals]	60,000/-
UNIVERSITY SCHOOL OF BIOTECHNOLOGY		
1	Integrated B.Tech. - M.Tech. (Biotechnology) / MBA	75,000/-
2	B.Sc. (Hons.) Biotechnology	40,000/-
3	B.Sc. (Hons.) Forensic Science	40,000/-
4	M.Sc. (Biotechnology)	50,000/-
5	M.Sc. (Biotechnology) through DBT	12,500/-
6	M.Sc. (Molecular Medicine) / (Bioinformatics and Genomics) / (Microbiology)	45,000/-
7	M. Tech. (Biotechnology)	60,000/-
8	Integrated B.Sc. - M.Sc. (Ayurveda Biology)	30,000/-
9	Integrated M.Sc. - Ph.D. (Life Sciences and Systems Medicine)	40,000/-
UNIVERSITY SCHOOL OF MANAGEMENT		
1	Dual Degree BBA+MBA	BBA: 80,000/- MBA: 1,10,000/-
2	B.Com. (Hons.)	50,000/-
3	MBA (HRM / Finance/ Marketing / Strategy / Operations / Business Analytics)	1,10,000/-
4	MBA [Executive]	1,00,000/-
5	MBA Business Analytics and Data Science	1,20,000/-

S. No.	PROGRAMME (S)	ACADEMIC FEE (RS.) Per Semester
UNIVERSITY SCHOOL OF VOCATIONAL STUDIES AND APPLIED SCIENCES		
1	All B.Sc. (Hons.)	25,000/-
2	B.Tech. (Food Processing and Technology)	75,000/-
3	B.Tech. (Mathematics and Computing)	75,000/-
4	All M.Sc. except M.Sc. (OR & CA)	25,000/-
5	M.Sc. (OR & CA)	40,000/-
6	M.Tech. (Food Processing and Technology)	60,000/-
7	Post Graduate Diploma (Polyurethane Technology)	30,000/-
UNIVERSITY SCHOOL OF HUMANITIES AND SOCIAL SCIENCES		
1	B.Ed. Specialization: Arts / Commerce / Science	28,000/-
2	B.A. B.Ed. / B.Sc. B.Ed. / B.Com. B.Ed.	30,000/-
3	B.A. / B.Sc. (Hons.) Applied Psychology	35,000/-
4	B.Sc. (Hons.) Clinical Psychology [RCI accredited]	50,000/-
5	B.A. (Hons.) (English / History / Economics)	25,000/-
6	B.A. (Hons.) Political Science	30,000/-
7	B.A. (Hons.) (Hindi/ Urdu/ Sanskrit)	18,000/-
8	Bachelor of Physical Education and Sport (BPES)	30,000/-
9	B.A. (Journalism and Mass Communication)	30,000/-
10	Bachelor of Social Work	25,000/-
11	Master of Social Work (MSW)	25,000/-
12	Master of Physical Education and Sport (MPES)	30,000/-
13	M.A. (Journalism and Mass Communication) (JMC)	28,000/-
14	M.A. (Journalism and Mass Communication) [Lateral Entry]	28,000/-
15	M.A./ M.Sc. (Applied Psychology)	55,000/-
16	M.A. (Hindu Studies)	18,000/-
17	All M.A. (except Applied Psychology / JMC / Hindu Studies)	25,000/-
18	M. Lib. I. Sc. / M. Lib. I. Sc. [Lateral Entry]	20,000/-
19	All. PG Diploma	30,000/-
20	M.Phil. (Clinical Psychology)	1,60,000/-

S.No.	PROGRAMME (S)	ACADEMIC FEE (RS.) Per Semester
UNIVERSITY SCHOOL OF LAW JUSTICE AND GOVERNANCE		
1	B.A. LL.B.	90,000/-
2	LL.M. (1 Year)	60,000/-
3	LL.M. 2 Year (Working professional)	60,000/-
UNIVERSITY SCHOOL OF BUDDHIST STUDIES AND CIVILIZATION		
1	B.A. (Hons.) Buddhist Studies	18,000/-
2	M.A. (Buddhist Studies)	25,000/-

FOR ALL DOCTORAL PROGRAMMES		
1.	Ph.D. (Full Time)	25,000/-
2.	Ph.D. (Working Professional)	50,000/-

D. Hostel and Mess Charges per Academic year

S. No.	PARTICULARS	
1.	Single Seated Room	50,000/
2	Married Research Scholar Hostel	60,000/-
3	Double Seated Room	30,000/-
4	Mess Charges per annum*	40,000/-

*Tentative Health Insurance and Mess Charges (This is a variable component and will be adjustable as per actual tender value)

E. Application Form Fee

S. No.	PARTICULARS	
1	General / OBC	1,500/-
2	SC / ST (U.P.)	750/-

Note:

- i. University Fee will be charged semester-wise.
- ii. University Fee Waiver for SC/ST candidates is as per Uttar Pradesh government norms/rules.
- iii. **Security Fee (Caution Money)** of Rupees Ten Thousand only will be charged for all Courses / Programmes. This is refundable after submission of no dues certificate from all Departments through the Dean of the school. Security Fee (Caution Money) is not applicable for Foreign/International Students.
- iv. In case, a newly admitted candidate applies for change or switchover to another programme, she/he may not have to deposit registration fee again. However, this flexibility of registration fee is permissible once only.

-
- v. In case of Lateral Entry programme, the fee will be applicable as per 1st semester norms.
- vi. University is a residential University, and therefore, all registered students shall reside in Hostel assigned to him/her. However, the students are exempted in some specific programmes (**Refer point no. vii on page no 52**).
- vii. **Hostel Exemption (Eligibility)**
- a. **Gautam Buddha University is a fully residential University implying that all students should reside inside the campus. However, hostel exemption may be granted in the following categories:**
- **Category-1:** Married (PG/PhD) Students [**Documents Required: Exemption Form, + Marriage Certificate**].
 - **Category-2:** Resident of Gautam Buddha Nagar (U.P.) [**Documents Required: Exemption Form + Any one of the documents from (A). Domicile Certificate (B). Home Registry (C). Electricity Bill and (D). Rent-Agreement**].
 - **Category-3:** Chronic Ailment of Student [**Documents Required: Exemption Form, + Student Medical Documents**]
 - **Category-4:** Curriculum Based Project / Dissertation / Internship [**Documents Required: Exemption Form, + Project / Internship / Dissertation Letter + Hostel No-Dues**]
 - **Category-5:** Programmes Exempted from Mandatory Hostel Accommodation.
(a). All B.A. and B.A.(Hons.), (b). All B.Sc. and B.Sc. (Hons.), (c). All M.A. and M.Sc., (d). BSW and MSW, (e). B. Ed., (f). B.Com.(Hons.), (g). ITEP, and (h). BPES. (i) All Diploma and Certificate Programmes. The students registered in these programs are exempted from the mandatory hostel clause by default and they need not to apply for exemption.

Note:

(I). For category 1 & 2, hostel exemption once granted will be valid for the duration of entire programme. For category 3, hostel exemption will be granted for current academic session only. Hostel exemption in category 4 will be for the duration of **Project / Internship / Dissertation**. For subsequent exemption, student has to re-apply at the start of each new academic session,

(II). The students in category 5 are exempted from the mandatory hostel clause by default and they need not to apply for exemption. **Hostel Exemptions are subject to the approval granted by competent authority and hence mere applying for it does not ensure exemption.**

-
- b. During the dissertation / internship /project, the exemption may be granted for Hostel to such students going for outstation dissertation/internship.
 - c. Few double seated rooms are available only in girls' hostel, whose allocation is preferably made to first year students in case single occupancy rooms are unavailable. All allocations will be done on First-Come First-Serve Basis.
 - d. Hostel and/or mess exemption applications will not be considered after the stipulated deadline, which is within 15 days from the admission closing date or as specified by an administrative order issued in this regard. Even in case of Chronic Ailment (Category-3), applications must be submitted as per the notification issued by the office of Dean Student Affairs (DSA) within 15 days from the admission closing date. (Refer to the official website for updates and deadlines.)
 - e. Any student found utilizing hostel or mess facilities after obtaining an exemption may be subject to a fine, disciplinary action, and payment of the hostel/mess fee for the full academic session.
 - f. The University reserves the right to review or modify the hostel exemption policy as deemed necessary.
 - g. Hostel fee may be revised as and when the University Fee Review Committee deem it necessary.
 - h. Hostel accommodation will be provided for a minimum of one Academic Year.

7.2 Fee Structure for Foreign Nationals

The fee structure shall be decided or may the University from time to time. Common fee (Table B), Academic fee (Table C) and Hostel fees (Table D) are same for the foreign Nationals from SAARC and ASEAN Nations and India Nationals. Table A & E not applicable.

Whereas, US\$ 1000 (or equivalent in Indian Currency as per the prevailing exchange rate) for Technical and/ or Professional Programmes of all the Schools, as the case maybe.
- ii. **International Students of other than SAARC and ASEAN Countries:** One time registration fee of US\$ 700 (or equivalent in Indian Currency as per the prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US \$1500 (or equivalent in Indian Currency as per the prevailing exchange rate) for Technical and/or Professional Programmes of all

the Schools, as the case may be.

- iii. One time registration fee of US\$ 200 for Diploma/ Certificate programmes from Foreign Nationals of SAARC and ASEAN Countries and US \$ 400 for Diploma/ Certificate programmes from foreign nationals of other than SAARC and ASEAN Countries.
- iv. Fee Structure for DASA will be applicable as per the table given below:

DASA FEE STRUCTURE APPLICATION FROM ACADEMIC SESSION 2025-26			
Particulars of Fee	SAARC	Non SAARC	CIWS
Registration (One Time)	\$1000	\$1500	\$700
Academic Fee	\$4000	\$6000	\$3000
Hostel and Mess	As per University's existing fee during academic session		

7.3 Refund Policy

Voluntary withdrawal from the programme subject to adhering to the below given policy of the University:

- Academic fee shall be refunded in case of withdrawal of admission from the programme of study in which he/she is enrolled as per UGC norms.
- Security deposit shall be refunded in full.
- Once the hostel is allotted then hostel fee for the semester shall not be refunded in case of withdrawal of admission.
- Mess fee shall be refunded to all the students on pro rata basis.
- The last date of seeking admissions, as communicated in the provisional admission.

8.0 SCHOLARSHIPS AND ASSISTANTSHIP

GBU, along with other funding agencies, provides various scholarships and assistantships to support students.

- i. Merit-Based Scholarship for B.Tech. Students: Candidates securing 80% or above in their Class 12 examination and opting for B.Tech. in Civil, Mechanical, or Electrical Engineering are eligible for a 50% tuition fee relaxation. (***Not applicable to working professionals.***)
- ii. Scholarship for SC/ST Students: Students from SC/ST categories receive a 50% scholarship on tuition fees. The remaining tuition fee may be covered as per U.P. Government regulations.
- iii. Assistantship for M.Tech. Students: GATE-qualified M.Tech. students may be engaged as teaching assistants based on the academic workload.

-
- iv. Annual Merit Scholarship: Awarded to students securing top positions based on academic performance.
 - v. Teaching Assistantship for Research Scholars: Doctoral students without UGC / CSIR or other fellowships may receive teaching assistantship support to aid their studies.
 - vi. Medical / Health Insurance: The university arranges medical and health insurance coverage for students.

8.1 New Entrant Scholarship

Admission (NES-A): The **New Entrant Scholarship: Admission (NES-A)** is awarded to meritorious students at the time of admission and is valid for one academic year. After successfully completing the first year, NES-A recipients may become eligible for the **New Entrant Scholarship: Academic Progress (NES-AP)**, provided they meet the university's minimum CGPA and other prescribed criteria. At the time of admission, candidates must meet the following requirements:

- i. Achieve **at least 80% aggregate marks** in all subjects in Class 12.
- ii. Meet the minimum eligibility criteria prescribed by the university for the chosen program.
- iii. Pass all subjects on the **first attempt**, without appearing for improvement or supplementary exams in the same or following year.
- iv. Hold qualifications from **CBSE, ISCE, or State Boards**.

The university reserves the right to **withdraw or cancel** the scholarship if a candidate is later found ineligible. Gautam Buddha University invites applications from meritorious students seeking admission to its **engineering programs** after Class 12 or equivalent qualifying examinations. For **B. Tech. students moving from 1st to 2nd year** in core engineering branches (*Civil Engineering, Electrical Engineering, and Mechanical Engineering*), this scholarship applies only to **full-time students**. It is **not available** for:

- a. Working professionals.
- b. Integrated B.Tech.- M.Tech. / MBA programs.

Additionally, eligible students must have secured **at least 80% marks in Class 12**.

9.0 RESERVATION / RELAXATION POLICY

The reservation and relaxation policy as per Uttar Pradesh Government and Gautam Buddha University rules.

The sports person providing evidence of participation in National / International level events may be provided 5% relaxation in respective qualifying examination.

10.0 GENERAL INSTRUCTIONS

1. Entrance Examination and Admission Process

- a. The schedule and mode of the GBU Entrance Test (GBU-ET 2025) will be announced at least 15 days before the examination.
- b. Candidates may apply for multiple programs; however, a separate application fee is required for each program.
- c. For B.Tech./Integrated B.Tech. programs, candidates must submit separate application forms for each program. Consequently, separate merit lists will be prepared, allowing candidates to select their preferred program based on their eligibility and rank.

2. Eligibility and Qualifying Examinations

- a. Only qualifying examinations from government-recognized national/international bodies, national-level boards, or state-level boards will be considered for admission.
- b. Candidates appearing for their final qualifying examination may also apply. However, they must complete all requirements (theory, practical, viva-voce, etc.) and submit their final result by November 30, 2025. Non-compliance will result in automatic cancellation of admission.
- c. Result-awaiting candidates must ensure they have no backlogs from previous years. Admission will be provisional and at their own risk until they fulfill the eligibility criteria.

3. Seat Allocation and Branch Selection

- a. The number of seats in various programs may increase or decrease as per university regulations.
- b. Branch allocation will be based on choices filled by the candidate during counseling and merit ranking.
- c. Candidates in a 4-year B.Tech. program may be considered for branch upgradation after the first year, subject to availability of vacant seats and merit ranking.
- d. For M.Tech. (CSE, ECE, EE, ME & CE) programs, specialization will be allotted at the time of counseling.

4. Admission Through National and State Level Test Scores

- a. Admission via valid national-level test scores (CAT / MAT / CMAT / GMAT / XAT / CLAT-PG / GATE / JEE / UPJEE) will apply only if seats remain vacant after the GBU Entrance Test and counseling.
- b. Any remaining seats may be filled through national-level test scores or via direct admission (merit-based selection).
- c. Candidates must ensure the validity of their submitted test scores. Submitting an application form does not guarantee eligibility.

-
- d. A self-attested copy of the valid test score must be submitted at the time of interview/counseling.

5. Admission Confirmation and University Policies

- a. Admission remains provisional until all required documents, fees, and testimonials, including the final result of the qualifying exam, are submitted.
- b. The university reserves the right to cancel admission at any stage if discrepancies in eligibility are found as per the Admission Brochure 2025-26.
- c. The minimum number of students required to run a program is 15 or 50% of the advertised seats, whichever is lower. The university's Competent Authority will make the final decision.

6. Counseling and Interview Schedule

- a. The counseling/interview schedule will be available on the GBU website in due course.
 - b. Candidates are solely responsible for reporting on the scheduled date and time. Failure to do so may result in loss of admission.
- It is Mandatory for Students to register on ABC portal through: www.abc.gov.in to have a ABC ID should be made a mandatory field in the admission form, examination forms or if possible on Student's I-card also.

10.1 For Candidates of M. Lib. I. Sc.

The Master of Library and Information Science (M.Lib.I.Sc.) program is structured in accordance with NEP-2020 and offers Multiple Entry (Lateral Entry) and Multiple Exit (Lateral Exit) options.

- i. This two-year postgraduate/master's degree program includes an exit point after the first year (second semester).
- ii. Students who successfully complete the first year and choose to exit will be awarded a Postgraduate Diploma, equivalent to a Bachelor of Library and Information Science (B.Lib.I.Sc.).

Those who successfully complete the full two-year program (fourth semester) will be awarded the Master of Library and Information Science (M.Lib.I.Sc.) degree.

10.2. For Candidates of M.Phil. / PH.D.

Abbreviations

FT - Full-Time WP - Working Professional

Admission Process

- Admission will be based on GBU-ET or as per the new UGC guidelines.
- Candidates appearing for their qualifying examination may also apply. However, M.Phil./Ph.D. applicants must provide proof of having met the minimum required qualifications at the time of the interview.

Ph.D. Application Requirements

- Ph.D. applicants must submit a research proposal (approximately 1,500 words) at the time of the interview.
- The proposal's title page must specify:
 - Discipline of research
 - Mode of admission (Full-Time/Working Professional)
- Candidates may also submit a list of publications or other research credentials, if available.

Eligibility and Equivalent Qualifications

- The university recognizes Chartered Accountant (CA) and Company Secretary (CS) qualifications (along with a graduation degree) as equivalent to a postgraduate degree for Ph.D. admission in the University School of Management, as per UGC guidelines.

Entrance Test and Selection Criteria

- The Entrance Test (GBU-ET) for M.Phil. / Ph.D. will be qualifying in nature, with a minimum passing mark of:
 - 50% for General/OBC candidates
 - 45% for SC/ST candidates (as per UGC guidelines)
- The exam syllabus consists of:
 - 50% Research Methodology
 - 50% Subject-specific content
- Candidates are advised to check the university website (www.gbu.ac.in) for the detailed syllabus.
- Selection Process:
 - Qualified candidates from GBU-ET will be called for an interview in the ratio of 1:7 per seat (category-wise).
 - Final selection will be based on:
 - 70% weightage to the entrance test
 - 30% weightage to interview/viva voce (as per UGC norms)

10.3 Specific Information only for JRF / NET / UGC- Qualified for Ph.D.

- Online registration is MANDATORY for all interested candidates who are seeking admission in Doctoral Research programme leading to Ph.D. Degree (Ph.D. programme) through online admission portal of the Gautam Buddha University (GBU).
- The GBU-ET is mandatory for Non JRF / NET along with qualified for Ph.D. category or qualified for Ph.D. only candidate(s).

-
- Candidates who have qualified Junior Research Fellowship (JRF) through UGC/CSIR/DBT/ICAR-ASRB Examination ONLY, and NET along with Qualified for Ph.D. category or qualified for Ph.D. only are exempted from appearing in the GBU Entrance Test (GBU-ET) for admission into Ph.D. programme of the GBU. However, they are required to fulfill other minimum eligibility criteria as per UGC / GBU rules and regulations.
 - Only JRF / NET along with qualified for Ph.D. category or qualified for Ph.D. only candidates are advised to OPT for either “GBU ET” OR “Exemption from GBU-ET” mode of the Examination.
 - Interview panel will award marks to the candidate(s) based on the presentation by the candidate about his/her Academic Background, Area of Interest and Research Proposal as mandated by the UGC Ph.D. Degrees Regulations, 2016.
 - For JRF/ NET along with qualified for Ph.D. category or qualified for Ph.D. only / GBU Entrance Test Qualified Candidate: selection of candidate will be based on weightage of 70% of UGC Test Score / GBU-ET Score and 30% to the performance (based on interview marks). If JRF candidate from other accredited body appear without score, then interview will be based on 100 marks format.
 - As the marks in UGC JRF / NET along with qualified for Ph.D. category or qualified for Ph.D. only are given out of 300, so GBU ET marks will also be awarded out of 300 for making equivalence.
 - Additionally, 05 Marks will be extra to the JRF qualified candidates and 3 Marks will be extra to the NET along with qualified for Ph.D. category or qualified for Ph.D. only if they appear through GBU ET.
 - Preference for selection will be given to the candidate(s) i.e. merit list will be prepared on the basis as under: i. ii. iii. First preference will be given to the JRF qualified candidate(s). Second preference will be given to the NET along with qualified for Ph.D. or qualified for Ph.D. candidate(s). Third preference will be given to the GBU-ET qualified candidate(s).

10.4. Specific Requirement for Ph.D. Candidates of Working Professionals.

Candidates must have **two years of teaching and/or research experience** from **national institutes of higher learning, universities, or central laboratories**, or **two years of industry / R&D experience** at an appropriate level. Additionally, candidates must provide a **No Objection Certificate (NOC)** and a **letter of consent** from their organization, ensuring that they will be granted **adequate facilities and time** to complete coursework and conduct research. These documents must be submitted at the time of the interview for admission. Candidates are required to complete their **first-year coursework in a classroom mode**.

11. ONLINE APPLICATION PROCEDURE

11.1. Entrance Test and Examination Details

- GBU-ET 2025 will be conducted online / offline at designated centers for M.Phil., Ph.D., MBA, LL.M., and B.Sc. Clinical Psychology programs.
- The exam schedule and mode of the entrance test will be announced at least 15 days before the examination.

11.2. Online Application Process

- The application form and admission brochure are available on the university website: www.gbu.ac.in.
- The application fee must be paid online via Credit Card, Debit Card, Net Banking, or UPI.
- Candidates must ensure they meet the eligibility criteria and verify their reservation category before submitting the application form.
- Application forms will be available only in online mode on the university website.
- Candidates must securely retain their login credentials (ID & password), as admit cards and further communications will be accessible online only.

11.3. Important Guidelines for Applicants

- Incomplete or incorrectly filled application forms will be rejected.
- It is the candidate's responsibility to confirm their eligibility before applying. Qualifying the entrance test does not automatically guarantee admission.
- All updates and notifications will be available on the university website. The university is not responsible if a candidate fails to check the website for necessary details.
- Communication regarding admission will be sent only to the registered email ID and phone number. Candidates should ensure they remember and retain these details.

11.4. Grievance Handling for Entrance Test

- Candidates can raise grievances regarding any question(s) within 24 hours of the test.
- The grievance committee, in consultation with subject experts, will review and decide whether to retain or delete any question(s).
- The decision of the grievance committee will be final and binding on all candidates.

11.5. Admission Results and Fee Policies

- The admission results declared by the university are final and binding.
- Failure to receive personal communication about counseling/interview will not be accepted as a reason for fee refund or reconsideration.
- The university only accepts the prescribed fee and will not process refunds for excess payments; candidates must contact their own bank for any refund-related issues.
- Queries related to application fee refunds will not be entertained if the payment is not credited to the university's account.

- After successfully submitting the application form and payment, candidates must download the fee receipt for their records.
- Application fees are strictly non-refundable under any circumstances.
- The issuance of an admit card does not confirm eligibility for admission to M.Phil., Ph.D., MBA, LL.M., or B.Sc. Clinical Psychology programs.

12. RAGGING FREE CAMPUS

Ragging is strictly prohibited on Campus. Any case of ragging should be brought to the notice of the authorities. Anyone indulging in ragging is liable to disciplinary action including rustication from the University and to criminal prosecution under the relevant laws.

In compliance to UGC regulations, GBU University follows 'Zero Tolerance Policy' to any act which may be construed as ragging as per the provisions of the UGC regulations. GBU has 'Anti Ragging Committee' And 'Anti Ragging Squad' in this regard. Every student has to furnish an affidavit pertaining to compliance of the said regulation. It shall therefore be binding on all students to submit this affidavit immediately. An affidavit of similar nature needs to be signed by the Parent/ Guardian.

Link:

https://www.antiragging.in/affidavit_registration_disclaimer.html

In compliance of the 2nd Amendment in UGC Regulations, it is compulsory for each student and ever parent to submit an online undertaking every academic year at www.antiragging.in The student will receive an e-mail with his/her registration number. The student will forward that e-mail to the Nodal officer in his/her university/college e-mail.
