## WELCOME TO INDIAN ACADEMY

### THRUST ON QUALITY EDUCATION!

Indian Academy Group of Institutions, established and managed by Indian Academy Education Trust, has been serving the cause of higher education for over two decades now. Under the leadership of our Chairman, Dr.Thummala Somasekhar, Ph.D.who returned to India after a decade of successful research career in US universities and set out to develop world-class academic and research facilities in Bengaluru, Indian Academy Group of Institutions has been providing equitable access to affordable and quality education to students from India and abroad.

The Motto of Indian Academy is 'get ready for life'. Accordingly, the curriculum in each of our educational institutions is designed to provide an in-depth knowledge base, industry-relevant skills, professional attitude social etiquette and corporate ethics. The campus life, vibrant with ethnically diverse multi-national student community is in itself an education in cultural-sensitivity and global citizenship.

### INDIAN ACADEMY DEGREE COLLEGE - AUTONOMOUS (IADC-A)

IADC-A is our flagship higher educational institution offering graduate and post-graduate courses in the disciplines of sciences, commerce, humanities and business management. With successive A-grades from National Assessment and Accreditation Council (NAAC) and an ISO certification to boot, the UGC recognised Autonomous College under Bengaluru North University provides strong academic foundations with research orientation along with international exposure, industry experience, integrated sports and cultural activities and institutionalised civic participation. The College has an excellent track record of university ranks and extra-curricular achievements.

### IA SCHOOL OF MANAGEMENT STUDIES (IASMS)

IASMS is a successful B-School affiliated to Bengaluru North University and offers full-time regular MBA programmes with various specialisations. The academic curriculum is supplemented with additional skill-based courses and certifications, industrial internships and entrepreneurship training. With leadership grooming and entrepreneurial coaching, students find placements galore. IASMS is ranked among the top 20 business schools of Bangalore in the recent Career Connect survey.

### INDIAN ACADEMY PRE-UNIVERSITY COLLEGE (IAPUC)

(IAPUC) prepares students for higher studies by grounding the basics of Science, Maths, Commerce and English thoroughly into students, thus helping them to score well in the board examinations and entrance tests, and stand high in the merit lists. Various combinations of subjects are available in science and commerce streams for students to choose from. Remedial classes for slow learners and coaching classes for medical and engineering aspirants are provided in house.

### INDIAN ACADEMY EVENING COLLEGE (IAEC)

(IAEC), caters to those who wish to pursue formal college education outside working hours, and provides professionally useful degree, diploma and certificate courses. Located on the Outer Ring Road at Hennur Cross, the College is easily accessible to working professionals after their office hours.

### INDIAN ACADEMY COLLEGE OF NURSING (IACN)

(IACN) runs high-in-demand graduate and post-graduate courses in nursing sciences for men and women, which are recognized by Indian Nursing Council and Karnataka Nursing Council with affiliation to Rajiv Gandhi University of Health Sciences.

### INDIAN ACADEMY SCHOOL OF NURSING (IASN)

The Basic Diploma Course in General Nursing and Midwifery is geared to the health needs of the individuals, family, community and country at large. It serves as a base for further professional education and specialization in nursing. It prepares the nurse to keep pace with latest professional and technological developments.

**Dr. T. Somasekhar**, Ph.D., is an eminent educationist who held research and teaching positions at the University of Southern California, Los Angeles, University of Illinois, Chicago, and Ohio State University, Columbus before returning to India with a vision of establishing world-class educational and research facilities. As the Founder Trustee and Chairman of Indian Academy Education Trust, he leads Indian Academy Group of Institutions from the front towards academic excellence and global competency. He has been espousing quality and autonomy in higher education through his talks and articles in the media. He is also a prominent social worker actively participating in charitable causes and community service.

## CHAIRMAN'S INVITE

Dear Students, Parents, Educators and Educationists,

It gives me immense pleasure to extend an invitation to you all to join us at Indian Academy in celebrating academic excellence and autonomy. The four pillars of higher education are accessibility, affordability, equity and quality. Having been founded firmly on these four pillars, Indian Academy has been making steady progress towards its goal of becoming a world-class educational institution. Recognised under 2(f) & 12(B) of UGC act with a full-fledged centre for research in life sciences, and re-accredited by NAAC at 'A' Grade with a CGPA of 3.27, our flagship institution has now been granted the status of an autonomous college under Bengaluru North University. The autonomy gives us the freedom to introduce an innovative curriculum that is industry-relevant and research-oriented, to enhance the quality of teaching and assessment, to enrich the learning environment with cutting edge educational technologies, and to work towards bridging the regressive lab-field, community-campus, and campus-corporate gaps.

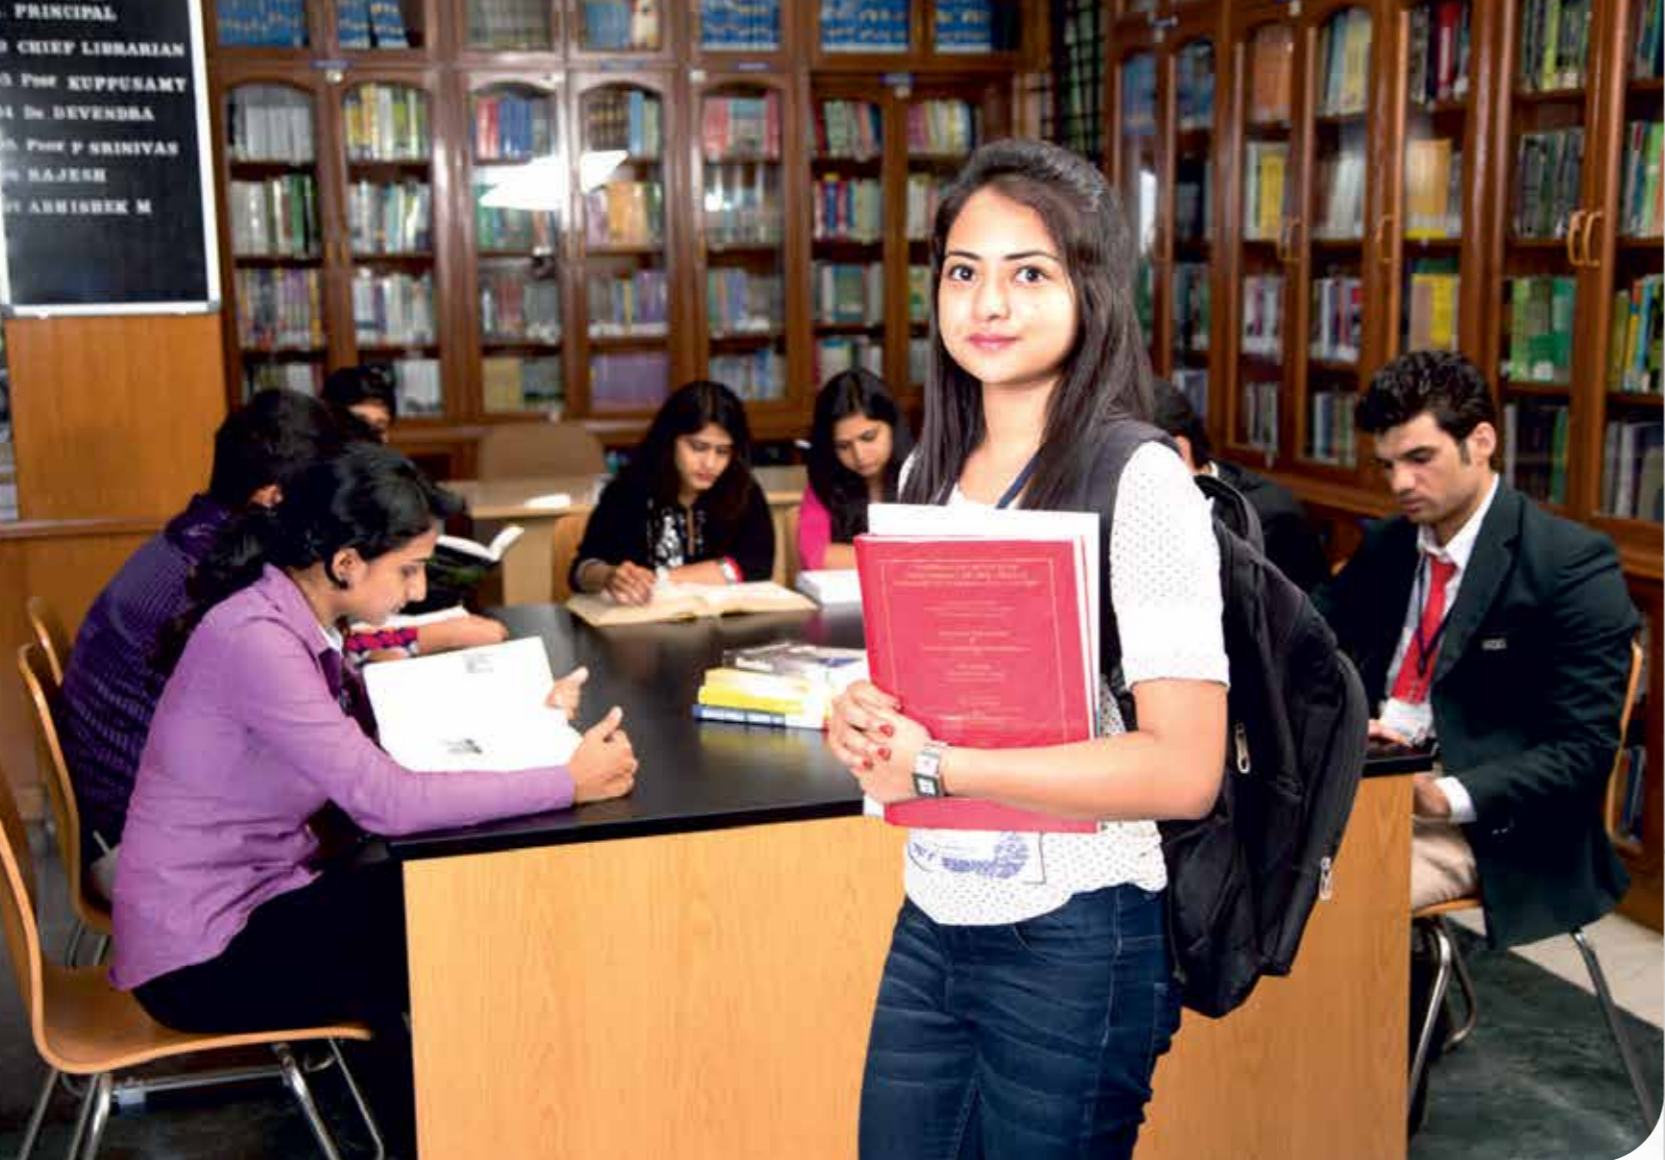

Our track record is replete with top ranks achieved by our students in Bengaluru North University examinations, trophies won by our champions in sports tournaments, accolades received by our teams in cultural events, accomplishments by our faculty and scholars in academic conferences and testimonials received from the companies where our alumni are placed. Our campuses are vibrant with state-of-the-art infrastructure and facilities, committed and qualified faculty, and brilliant and ambitious students. Our future is bright with well-planned and well-funded projects to grow into a world-class higher educational institution of India.

Take time to flip through the pages of this brochure to get to know us. Explore our website [www.indianacademy.edu.in](http://www.indianacademy.edu.in) to understand us better. Pay a visit to our campus at Bengaluru to appreciate our commitment to make high-quality education available to one and all.

**Come, join us at Indian Academy! Let us celebrate excellence in education!**

**Dr. T. Somasekhar, Ph.D.,  
Chairman,  
Indian Academy Education Trust**

## COURSES OFFERED

IA DEGREE COLLEGE - AUTONOMOUS	
B.Com - General B.Com - Banking & Insurance B.Com - Travel & Tourism	M.Com - Master of Commerce/Financial Analysis/International Business
BBA - General BBA - Banking & Insurance	M.Sc - Master of Science/Biotechnology/ Microbiology/Biochemistry/ Chemistry/Applied Genetics/Physics/Mathematics/Computer Science
BCA - Bachelor of Computer Applications	MA - Master of Arts/English/Economics
B.Sc - Genetics, Biochemistry, Microbiology B.Sc - Genetics, Biochemistry, Biotechnology B.Sc - Chemistry, Zoology, Biotechnology B.Sc - Chemistry, Zoology, Microbiology B.Sc - Electronics, Mathematics, Computer Science B.Sc - Physics, Mathematics, Computer Science B.Sc - Statistics, Mathematics, Computer Science B.Sc - Physics, Mathematics, Electronics	MTTM. (5 years integrated course) - Master of Travel & Tourism Management
BA - Tourism, History, Journalism BA - Journalism, Optional English, Political Science BA - Journalism, Optional English, Psychology BA - History, Economics, Political Science	Ph.D - Doctoral Programmes in the department of Biochemistry/Microbiology/ Biotechnology/ Genetics

ICCR scholars may contact the cell for coordination with the local office. The college will arrange orientation programmes, bridge courses and local guidance for foreign students.</b>

## STUDY BY CHOICE!

Indian Academy Degree College - Autonomous offers you a wide choice of courses to suit your aptitude and interest. Admissions will be based on appropriate selection criteria subject to the following eligibility conditions.

Students who have successfully completed 10+2 years of formal schooling, and hold the certificate of a recognised state, national or international board, like PUC, Intermediate, AISSCE, ISC, IB Diploma, CIE-A Level and NIOS, are eligible to apply.

For the under-graduate programmes, proficiency in English is expected as it is the medium of instruction. The minimum eligibility for post-graduate programmes is the possession of a three year under-graduate degree in respective discipline awarded by a UGC recognised university or institution. Other recognised degrees that are considered equivalent to or more advanced than the above are admissible too.

# ADMISSION PROCEDURE

**NOTIFICATION:** Generally, admissions begin in the month of April - May to ensure the academic year starts in June. Notification is published in newspapers and college website, and wide publicity is given through hoardings and social media. However, information and counselling concerning admissions are available round the year to help students plan their future.

**HOW TO APPLY:** You can easily apply online on the website of the College, [www.indianacademy.edu.in](http://www.indianacademy.edu.in), and use the embedded payment gateways to pay the application cost.

You can also collect the printed application form and brochure in person from the office of Indian Academy on Hennur Main Road by paying the cost of the application. After filling up the form, you can submit it in person at the office or send it by post to "Admissions, Indian Academy Degree College - Autonomous, Hennur Main Road, Kalyan Nagar Post, Bengaluru 560043".

Alternatively, you can download the hard copy of the application form from the official website. While submitting the filled up form, either in person or by post, you have to furnish the details and receipt for the payment of application cost which could be done through electronic money transfer or a Demand Draft drawn in favour of "Indian Academy Degree College".

**SELECTION PROCESS:** The applications are screened for eligibility based on the information provided by the candidate. Eligible candidates are intimated to appear for a personal interview and a counselling session where they are apprised of various options and opportunities, and their credentials and original documents are verified.

**ADMISSION:** Following the above processes, candidates who are selected for admission will be allowed to join immediately, on or before a notified last date, after payment of the prescribed admission fees. In the cases where the results of the final qualifying examinations are not available, the admission is considered provisional and will be confirmed only after receiving the required qualifying documents and verifying the eligibility of the candidate.

The following documents have to be furnished in original at the time of admission.

- 1) Pass certificate and marks card of the qualifying examination from a board/university recognised by UGC:
  - a) Pass certificate and marks card of Class 10
  - b) Pass certificate and marks card of Class 12 or equivalent
  - c) In addition, provisional certificate and marks cards of the first degree for admission into PG courses
- 2) Transfer certificate from the head of the school/college in which last studied
- 3) Migration certificate for undergraduate candidates from states other than Karnataka, and postgraduate candidates from outside Bengaluru North University
- 4) Aadhar (UIDAI) card for Indian nationals; Citizenship card for Nepal and Bhutan nationals; Valid passport and student visa in the name of Indian Academy Degree College in case of other foreign nationals; ICCR students should apply through proper channel
- 5) Certificates in proof of applicability of quota such as NCC, Sports, Income, Caste, Disabilities, etc.
- 6) Ten copies of latest passport size photographs

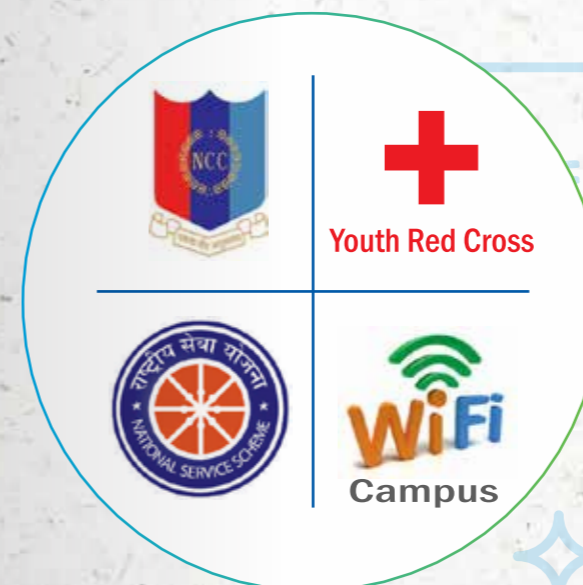

**INDIAN ACADEMY - Merit Cum Means & Girl Child Scholarships**  
**GOVERNMENT OF INDIA - Social Welfare Scholarships**

## CAMPUS PLACEMENTS

International Students from  
**37 Countries**  
 Indian Students from  
**29 States**

Enquire about scholarships and concessions.  
 Instalment options are also available to pay fees.  
 Fees, once paid, will not be refunded.

## CHIEF OPERATING OFFICER

**Dr. Srinidhi K Parthasarathi**, BE., PGDM., Ph.D., D.Litt is an Academic Administrator, Faculty and Researcher on Quality Management based on workplace Spirituality. He brings with him 28 years of Industrial and academic experience.

Along with his professional career, he has been spearheading the Spiritual beacon in India and Abroad across diverse audiences with his lectures, musical discourses, writings and classes since the year 2003. He has contributed 70 articles to Spiritual Magazines, newspapers and research journals and has authored 2 books titled Total Quality Management- The Bhagavad Gita Way and gita@workspaces.

## COO'S MESSAGE

Welcome to Indian Academy Degree College - Autonomous!

Indian Academy Degree College - Autonomous has been built brick by brick to be recognized as a benchmark institution amongst institutions of repute.

The state of Art laboratory facilities for students pursuing Undergraduate and Postgraduate programs in Sciences are well equipped and have been well recognized by Government departments like the Department of Biotechnology and University Grants Commission. The faculty at Indian Academy in all the four streams viz. Sciences, Commerce, Business Administration and Arts are well read and bring in a lot of dynamism to the learning environment. They inspire the learners and hand hold them to climb the ladder of success.

**Dr. Srinidhi K Parthasarathi**  
Chief Operating Officer  
Indian Academy Group of Institutions

**Dr. E Jerome Xavier**, M.Sc., M.Phil., M.A., M.S., PGBA, Ph.D., is the Principal of Indian Academy Degree College - Autonomous. A recipient of Bharat Gaurav Award and Best Citizens of India Award, he has nearly three decades of experience in higher education including over 10 years as Principal.

## PRINCIPAL'S MESSAGE

Welcome to Indian Academy Degree College - Autonomous!

Indian Academy Degree College - Autonomous is an edifice of learning which is built on a spectacle of fine blend of tradition and the ever-changing modernity. The Hall mark of every eminent higher educational institution is Quality and Excellence it provides in nurturing the young minds and influencing the moulding of character.

The systematic process of education set in an ambience of learning stimulates our students to acquire academic excellence along with co-curricular and extra co-curricular activities to have a holistic development. Its modernity is reflected through the introduction of the career-oriented programmes in Physical and Life Sciences, Commerce & Management and Humanities.

The integration of academic excellence, developing skills and competencies and professional learning are the unique strengths of our institution. It is the collective efforts of Management, Staff and Students that make this college such a vibrant place to learn, to work, and to explore. The reputation of our faculty, the quality of our academic programs, the personalised attention and plethora of curricular and co-curricular activities draw students from 29 states of India and 37 countries. This speaks of the rich student diversity at Indian Academy

Challenged by outstanding faculty and an outcome based curriculum, students are well prepared to contribute to society and to be effective leaders of social change based on the ethical values and principles the students acquire from the college. The college has scaled new heights of glory coupled with widespread achievements in the spheres of cultural and curricular activities.

**Dr. E. Jerome Xavier**  
Principal  
Indian Academy Degree College - Autonomous

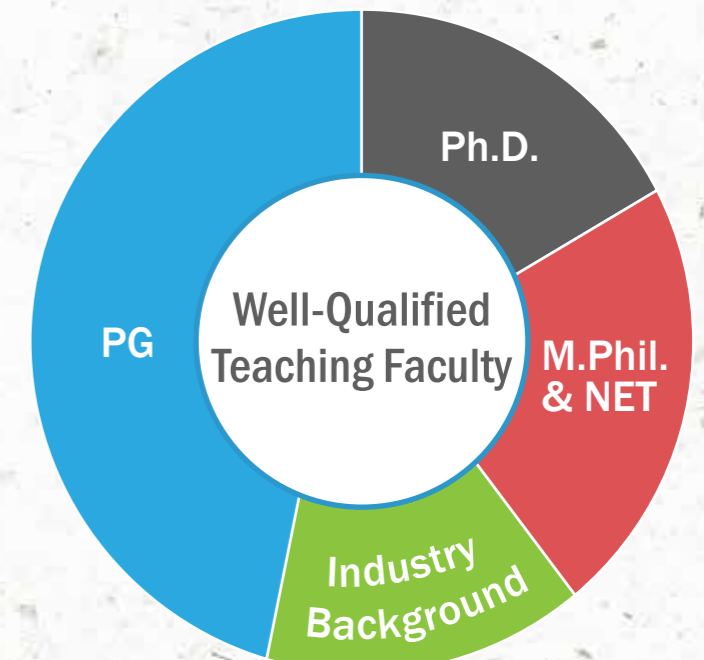

## VICE - PRINCIPAL, HoD - BBA, IADC - A

**Prof. Shalini S,**  
MBA (HR), M.Phil., (Ph.D.)  
She is the Vice-Principal of Indian Academy Degree College - Autonomous, an academican with 10 years of teaching experience. She has authored 4 textbooks/reference books and has been contributing research papers in National and International Journals. She is pursuing her Ph.D. in Economics.

Indian Academy attracts well-qualified and talented faculty who are competent to carry-out high quality teaching, evaluation and research. Over 25 departments of sciences, humanities and management have adequate faculty members including Professors, Associate Professors and Assistant Professors. The faculty keep their professional knowledge and skills up-to-date through faculty development programmes, research projects, consultancy activities, conferences and workshops, and have numerous publications to their credit. Most of them acquire additional degrees and certifications to add to their academic credentials. Some of the faculty have professional work experience in the industry and pass on their valuable experience to the students to make them industry-ready. All faculty members are computer-savvy and make liberal use of ICT based educational technologies for effective teaching.

Our teaching pedagogy is further augmented by visiting faculty from reputed Higher Educational institutions of India, US and Europe in order to encourage knowledge transfer and international collaborations. Industry experts from top MNCs and R&D agencies are regularly invited to deliver guest lectures to the students.

Passion for student-centric teaching and mentoring is the hallmark of all the faculty at Indian Academy which combines innovative teaching practices with experiential learning activities to impart the best of education to the students.

## CONTROLLER OF EXAMINATIONS, IADC-A

**Dr. Nagaraju P, M.Sc. Ph.D.,**  
An academican par excellence, Dr. Nagaraju has been teaching Physics for the past four decades now. He has been contributing to National and International research journals. He is now serving as the Controller of Examinations. His research interests include, Composite Heat Transfer in Porous media, Higgs Boson, Teaching learning pedagogy, Simple experiments in Physics etc.

$$E=MC^2$$

## Star College Program

State-of-the-art laboratory equipment is available at Indian Academy and students are encouraged to take up assignments, projects and dissertations in advanced areas of research.

Examinations and evaluations are essential part of the education system at Indian Academy. Students' performance is rigorously assessed, and marks are awarded, which form the basis for promotion to subsequent semesters and for the final award of degrees. Scoring of high marks in the examinations will also give an edge to students in pursuing further studies and in finding employment opportunities.

Choice Based Credit System with a wide range of electives to choose from helps students to plan for specialisation in a specific area of study. Research-based project work is highly encouraged at Indian Academy. Students can opt for the project work in lieu of a subject paper in the final semesters of the course. This option exposes students to research culture and project-based learning.

Students' scholastic achievements are meticulously recorded and appropriately reflected in the marks-card. Meritorious performances are encouraged and rewarded through scholarships and gold medals by the management of Indian Academy. Students who perform well in undergraduate courses at Indian Academy will be given preferential admission into the postgraduate and professional courses as well as Ph.D. programmes at Indian Academy with fee concession.

Indian Academy Degree College – Autonomous has been selected by the Department of Biotechnology, Govt. of India for support under the Strengthening component of the “Star College Scheme” to four departments: Biochemistry, Chemistry, Biotechnology and Microbiology. This scheme has been initiated by the DBT Govt. of India to support undergraduate education of colleges and universities, thereby, improve science teaching. The programme aims to improve the skills of teachers by organizing faculty training, improved curriculum and emphasis on practical training to students by providing access to specialised infrastructure and consumables. Our project has been designed to cultivate the ability of undergraduate students to think independently, provide insights to realistic scientific questions in the form of projects, offer exposure to cutting edge technologies by industrial visits, and introduction to specific topics like IPR, bioinformatics, entrepreneurship in biology by visiting/guest lecturers from industries and academia. Special emphasis has been placed on gaining experience by performing experiments and projects and training in a variety of techniques and scientific instruments. Therefore, experiential learning will be the key focus in our endeavors' through the execution of the Star College Program. Our approach will also create an interface between Industry & Academia, facilitating students' future employability and pursuit of higher education.

## ACADEMIC EXCELLENCE – CURRICULAR

Indian Academy Degree College - Autonomous implements a world-class curriculum that is recognised for its high-quality by regulatory and accreditation agencies. The syllabi for each course are frequently revised to include advancements in knowledge and current industrial trends. Each course is spread over a semester giving ample study and assimilation time to the students.

Proficient classroom teaching by expert faculty in internet-enabled classrooms using multi-media tools makes the learning environment inspiring, interesting and effective. Regular attendance is

expected in the classes. The faculty is also available to students after the class hours for discussions and clarifications. Online presence of the faculty gives students the opportunity to interact with them outside college hours.

Practical laboratory sessions form the major part of the curriculum where students get hands-on experience of conducting scientifically designed experiments that reinforce classroom learning. Faculty and lab assistants help the students acquire necessary skills to handle the apparatus and materials.

All co-curricular activities are designed and organised by the Heads of the Departments and faculty members to suit the knowledge levels and learning aptitudes of the students of the concerned course of study. They are spaced out through the year in the academic calendar so that students can assimilate the takeaways.

#### COMPUTERS

Computers are ubiquitous at Indian Academy and most of the course work involves the use of computers and the internet. Students are given training on relevant software applications. Besides, there are many terminals available for use at the computer centre, classrooms and library. BYOD (Bring Your Own Device) is encouraged by providing free Wi-Fi connectivity in the campus.

#### LIBRARY

Indian Academy has a rich collection of books in its central library, and subscribes to number of periodicals, that can be discovered through the online public access catalogue system, Web OPAC. The Digital Library provides access to huge collection of e-resources and is a member of open access resources consortia like INFLIBNET and inter-library networks like DELNET.

#### Indian Academy Centre for Professional Excellence (IACPE)

The centre works towards developing industry-academia interface, collaborations and consultancy for the benefit of the faculty and the students of Indian Academy. It provides customised training and certification programmes for the students to develop industry-relevant skills, professional competency and employability in a wide range of areas like ERP tools, IT applications, laboratory techniques, drug development, banking, investment, insurance, retail, travel and tourism. The value-added courses and enrichment programmes at Indian Academy prepare the students to be best-fit for careers that they embark upon obtaining their degrees.

## ACADEMIC EXCELLENCE – CO-CURRICULAR

Not just covering the syllabus, uncovering and discovering the syllabus is the purpose of studies at Indian Academy. Classroom teaching is reinforced with experiential learning. Self-study based assignments bring out students' creativity in the form of presentations and colloquiums. Faculty expertise is augmented with eminent guest lecturers from industry and academia. Students are taken for industrial visits to see real-life applications of the theories they learn.

Academic conferences, seminars, symposiums and workshops make the students up-to-date with developments in their field of study. Indian Academy's in-house journals, subject clubs and discussions and debates give ample scope for students to demonstrate their communication and presentation skills. Inter-disciplinary collaborations are another unique feature of education at Indian Academy.

## ACTIVE CAMPUS LIFE

The motto of Indian Academy is “get ready for life”, and that calls for going beyond the boundaries of academic curriculum. Education is complete only when it results in personality development and social maturity of the students. To this end, Indian Academy fills its campus life with exciting extracurricular activities.

### SPORTS, GAMES AND PHYSICAL EDUCATION

Indian Academy has a full-fledged Department of Physical Education headed by qualified Physical Director and trainers, who organise regular

classes for the physical fitness of students and ensure that they maintain prescribed standards of fitness. Courts are laid out and equipment is provided for students to play cricket, basketball, hockey, volleyball, athletics and other sports of their choice in leisure time. College teams are formed to participate in tournaments held at university level which paves way for selection in state-level and national-level events. Indian Academy teams have won several cups, trophies and medals over the years in such competitions.

$$E=MC^2$$

Annual sports meet of Indian Academy, held each year, is a celebration of teamwork, sportsmanship and competitive spirit.

### ARTS AND CULTURAL ACTIVITIES

Life at Indian Academy is made beautiful with opportunities and occasions to express the aesthetic creativity and artistic talent of the students. Posters, collages and graphic displays created by the students adorn the corridors of the college. All gatherings, functions and celebrations held at Indian Academy are enlivened by thematic song and dance presentations by the students.

Indian Academy students have been stealing the show at youth festivals and cultural competitions held by various organisations across the city of Bengaluru.

SPECTRUM is the intra-college cultural event held each year at Indian Academy where the students showcase their talent through dramatics, dance, music, mimicry, mime and also ethnic folk forms.

YUVATARANG is an inter-college cultural extravaganza hosted and organised by Indian Academy which attracts students from colleges across Bengaluru to participate in open competitive display of their artistic skills. Indian Academy students play a major role through participation as well as event management.

## COMMUNITY SERVICE AND EXTENSION ACTIVITIES

Indian Academy is involved in a big way with charitable activities and social service projects that address the local community problems as well as larger humanitarian causes. Students can volunteer to take part in these programmes to gain valuable experience in community service and social work. Indian Academy also encourages students to contribute their bit as citizens to the civic campaigns initiated by the government and the city corporation.

### INSTITUTIONAL SOCIAL RESPONSIBILITY

Indian Academy takes its social responsibility seriously. Recently, Indian Academy has adopted five Government schools run by Bruhat Bengaluru Mahanagara Palika (BBMP) and provided drinking water, sanitary amenities, study kits and computers. Students and staff visit the schools to give computer training to the students.

### NATIONAL SERVICE SCHEME (NSS)

Indian Academy has an active unit of National Service Scheme (NSS), a voluntary scheme of the Ministry of Youth Affairs, Government of India, which enables students to contribute to nation-building through local community service. Student volunteers of NSS were in news recently for assisting the traffic police in traffic safety and prevention of drunk driving. Awareness rallies and marathons are held in support of plastic-free environment, diabetes prevention, AIDS eradication, women and children welfare and other such community issues. Student volunteers also led the drive for clean and green surroundings by clearing the public areas and planting saplings.

### NATIONAL CADET CORPS (NCC)

National Cadet Corps (NCC) is a voluntary uniformed scheme of Indian Armed Forces that trains its student members in military discipline and leadership qualities. Successful NCC cadets are given special quota in government jobs and university admissions in India. The 6/B Company located at Indian Academy is attached to 8 Karnataka Battalion of Karnataka and Goa Directorate of NCC.

### YOUTH RED CROSS

Youth Red Cross programme of Indian Red Cross Society, which is a part of International Red Cross and Red Crescent Movement, finds motivated volunteers at Indian Academy in their mission to protect human life and promote health. The students take active part in blood donation camps and other events of Youth Red Cross.

## STUDENT SUPPORT

Indian Academy, keeping in view its aim of providing affordable access to high-quality education, supports the students in every way to make their stay comfortable and their studies fruitful.

### INDIAN ACADEMY ANNUAL SCHOLARSHIPS

Indian Academy Education Trust offers a number of annual scholarships and fee concessions to needy and deserving students as financial aid to cover their education costs. These are in addition to the various social welfare scholarships granted by the government.

Scholarships are awarded on a yearly basis to the toppers in the entry test conducted by the college in the first year, and further to the class toppers of each course in the subsequent academic years. Partial or full tuition fee waiver is extended to students from disadvantaged strata. Merit-cum-Means Scholarship and Girl Child Scholarship are granted on the basis of economic background.

### INDIAN ACADEMY CENTRE FOR STUDENT PLACEMENT SERVICES (IACSPS)

In the final semester of their courses, can avail the campus placement services provided by the Indian Academy. They career will be provided with counselling and interview guidance. Several of the top companies located in Bengaluru visit Indian Academy to conduct campus recruitment drives. Indian Academy students have been bagging lucrative job offers each year.

### HOSTEL ACCOMMODATION

Indian Academy runs separate hostels for boys and girls within the walking distance of the campus. The hostels provide well-furnished rooms on sharing basis at inexpensive rates, along with nutritious meals. The hostels are maintained by resident wardens with dedicated housekeeping and security staff. The hospitality of the hostels makes them 'home away from home' for Indian and foreign students.

### TRANSPORTATION

The campus is conveniently located well inside the city limits and has access to all public utilities and facilities. Public transport is abundantly available to commute to college. Indian Academy's own fleet of college buses serves the students and faculty on trips to various locations in the city for educational needs.

### CAFETERIA

Indian Academy has a rooftop cafeteria located within the academic block which serves delicious food at reasonable rates to refresh the students and staff during the course of their working day.

## PARTNERS IN PURSUIT OF EXCELLENCE

### SRI AUROBINDO CENTRE FOR EDUCATION IN HUMAN VALUES

The National Policy on Education has laid considerable emphasis on value education by highlighting the need to make education a forceful tool for the cultivation of social ethics and moral values.

Sri Aurobindo Centre for Education in Human Values is established by Indian Academy with the idea of enriching human life through egalitarian democratic principles and to promote unity among all faiths and cultures. Eminent speakers from all walks of life are invited to share their experiences and perspectives on how to practice ethics and values in professional and personal life.

### INDIAN ACADEMY ALUMNI ASSOCIATION (IAAA)

Indian Academy Group of Institutions, over the decades, has shaped many educationists, scientists, writers, managers, public servants, entrepreneurs and professionals. IAAA provides a common platform for all of them to connect and collectively contribute their ideas and efforts for the growth of their alma mater. Reunions are organised at Indian Academy for various batches. Social media is widely used for interaction among alumni and for interfacing with the alma mater.

### PARENT-TEACHER ASSOCIATION

Indian Academy is committed to parent satisfaction by providing and receiving feedback from all concerned. Parents are indeed our partners in grooming the students. Designated teaching faculty of the college interacts with parents through face-to-face meetings and e-mails. Issues regarding progress of the students, attendance in classes, general discipline and performance in examinations are discussed periodically with the parents. The association meetings are held biannually at the college.

### WOMEN'S COUNCIL

The Women's Council is constituted to promote gender sensitivity and equality. It acts as the nodal centre for the prevention of sexual harassment. The Women's Council also educates the students and employees on various gender issues through lectures and conferences, and also promotes health awareness among women students.
