Message from the Director

Dr. Mohua Banerjee

It gives me immense pleasure to welcome you to the admission process of International Management Institute Kolkata which is one of the three Chapters of IMI, India's first corporate-sponsored Business School. The information presented here is only a part of our continuing effort to serve various stakeholders such as students, staff, alumni, and our constituents in the business community.

The founders of IMI have built IMI Kolkata with a clear objective to promote significant opportunities to learn, grow and most importantly, develop and hone multiple skills across various disciplines of management. At IMI-K, we innovate and encourage our students to achieve.

We believe that learning should be an enjoyable process that allows students to develop their goals and aspirations, and provides them with the constant support and the required study ambiance to achieve those targets. Our academic and research collaboration with a number of business schools and universities abroad reveals an important dimension of our international focus. In a span of seven years, our graduates have shown evidence of becoming world citizens. They also nurture respect and a sense of achievement. They are our greatest ambassadors!

The disruption due to the pandemic conditions has affected firms widely. It is important for managers and other stakeholders to recognize the characteristics and patterns of disruptions, as undesirable outcomes may be caused if such patterns are not identified and understood. Countermeasures to the risk of disruptions have a cost. Any form of disruption may impose the greatest risk to a firm's value. It is believed that with access to such knowledge and technological advances, managers may be able to assess a firm's investment opportunities appropriately to mitigate the most material risks. IMI-k's academic objectives are mostly in light of preparing our students to face up to the many disruptions we often observe in business.

IMI-Kolkata's full-time faculty members are continuously working on the creation of new knowledge. The aim has been to contribute new insights to the national and international academic communities on one side and to provide innovative content for teaching on the other side. With this perspective, the institute constantly endeavours to upgrade its intellectual capital and the know-how and skill levels of its faculty team.

Thank you for visiting our website and we look forward to welcoming you into the IMI Kolkata experience as we continuously position ourselves to help our stakeholders achieve their potential.

Message from the Chairperson Admissions

Dr. Avinash K Shrivastava

International Management Institute Kolkata (IMI-K) reflects our vision of being a globally recognised centre of excellence in management education and believes in creating highly ethical global leaders who are socially sensitive that would be conducive to the growth of the economy. Turning the dreams of our visionary leader Late Shri R. P. Goenka into a reality, IMI-K, an RP- Sanjiv Goenka Group initiative, aims at shaping brilliant minds by equipping them with the skill sets necessary to lead national and global organisations. Our flagship PGDM (Post Graduate Diploma in Management) Programme is approved by AICTE, accredited by NBA and recognized as MBA degree equivalence by AIU.

IMI Kolkata has been consistently ranked among the top seventy-five business schools in the country as per the National Institutional Ranking Framework (NIRF) developed by the Ministry of Human Resource Development, Government of India.

IMI Kolkata offers a great combination of world-class teaching/learning infrastructure, highly experienced faculty members, and a student-centric approach that would develop you as a self-driven, highly confident individual with an integrated value system. We ensure your journey at IMI Kolkata is exciting and a wonderful experience for life.

The way of doing business is braced for a paradigm shift post-COVID situation and in response to that, the industry has started demanding next-generation managers/leaders. We have carefully designed the curriculum with emphasis on experiential learning to inculcate critical thinking, analytical and problem-solving ability along with technological/digital orientation that will prepare you to face complex challenges in the real business world. We have made the PGDM programme industry-oriented through summer internships, live projects, seminars/guest lectures etc. to ensure that the students are more than adequately equipped and empowered with knowledge and skillsets to attain leadership positions and add value to their organisations.

Fellowship Programme in Management (FPM) is the doctoral level Programme of IMI Kolkata. It remains the preferred choice for students aspiring to pursue a career in Management at institutions of higher learning such as business schools/universities as well as in consulting firms, think tanks and leading corporates in India. Our scholars investigate a wide range of highly specialized topics in the overall gamut of management disciplines. We invite you to consider our FPM Programme and would be happy to discuss your academic interests if you have the inclination and commitment to undertake rigorous training in the frontiers of management and subsequently pursue an academic or corporate career with a focus on research.

All our management-centric Programmes are taught by renowned faculty members who are committed to delivering the curriculum effectively.

We, at IMI Kolkata, look forward to welcoming you.

About IMI Kolkata

About IMI Kolkata Established in 1981 with a campus in New Delhi, International Management Institute (IMI) was India's first corporate sponsored Business School. The IMI Kolkata campus, founded by RP - Sanjiv Goenka Group, was established in 2010 to enable bright young minds gain access to the world class management-pedagogy. Since then, IMI Kolkata is an ever changing, ever evolving institute which has established itself consistently among the top five percent business schools in India.

Being located strategically in the heart of Kolkata, IMI-Kolkata enjoys very strong industry linkage. The institute embarks up on its world-class infrastructure, highly experienced faculty members, experiential based learning approach and industry focussed curriculum which act as the pillars of success. The international linkage of the institute has grown over the years and spans across business schools/universities in North America, Europe and Asia.

The institute not only offers a scholarly and professional ambience, but also a fulfilling campus life necessary for an all-round development of the students. Thus, IMI Kolkata has been instrumental in shaping the lives of students and serving as a perfect stepping stone for the corporate careers of bright young minds. We are committed towards building next generation leaders who are socially responsible and ready to take up complex challenges in the world of business.

Once you step into IMI Kolkata, there is no turning back. You have a whole new world waiting for you to make your own.

Admission Procedure

Qualifying Exams

CAT/XAT/GMAT/CMAT

CAT

Admission to the Programme is through the Common Admission Test (CAT) conducted by the Indian Institutes of Management at different centres all over the country. CAT 2022 would be held on November 27, 2022. (Refer to the CAT Bulletin for further details). IMI Kolkata will consider current year's CAT score only.

XAT

Candidates who have appeared for XAT 2023 are eligible to apply. The XAT is usually conducted on the first Sunday of January every year. IMI Kolkata will consider current year's XAT score only.

GMAT

Indian residents, Foreign students, PIO and NRI - sponsored candidates are also eligible and are required to take the Graduate Management Aptitude Test (GMAT), taken not earlier than January 2019 and not later than April 2023, and submit such scores while applying to IMI Kolkata.

CMAT

CMAT Candidates appeared for CMAT exam held in the & 2023 may apply for the programme.

Call Letter

- IMI Kolkata will shortlist candidates on the basis of information provided in the application form, CAT scores (sectional and overall) or GMAT/XAT/CMAT score, marks in class X and XII, graduation and work experience. only shortlisted candidates will be called for the final stage of the selection process.
- Applicants should note that mere fulfilment of minimum eligibility criteria may not ensure consideration for short listing by IMI Kolkata. IMI Kolkata will not entertain any correspondence on this subject and decisions of the IMI Kolkata Admissions Committee will be final in all matters.

Writing Ability Test & Personal Interview

- Essay Writing and Personal Interview will constitute the components of the final stage of the selection process. The IMI Kolkata Admissions Committee reserves the right to modify these components while communicating the same to the applicants during the personal interview. Interview.
- The objective is to identify and assess the candidate's potential for a managerial career.
- Interviews will be held during February/March 2023 (tentative).

Application Form

- Application Form can be downloaded from the website.
- An applicant desirous of applying only to the PGDM Programme at IMI Kolkata will be required to pay Rs. 1000/-.
- Applicant should complete the online application form and submit the same along with the admission application fee which is non-refundable.

Offer Letter

- Admission Offer will be based on a composite score arrived after the assessment has been made during the various stages of the selection process, defined above. The result will be emailed to the selected candidates. Offer letter will be emailed to the mailing address provided in the application form.

Fee Structure

Successful candidates, who have been offered admission, will be required to pay the 1st installment of fee, within two weeks of the date of offer, failing which the offer shall stand lapsed and admission will be offered to the next candidate on the waiting list, without any further intimation. IMI Kolkata will not accept any responsibility for non-receipt of any communication which is sent to the candidate's address and email ID provided in the Application Form.

IMI Kolkata offers scholarships up to 100% to the selected students based on academic performance and financial considerations.

IMI Kolkata boasts of its state-of-the-art infrastructure. The campus building is separated into an academic block and a residential block. Developed and designed by Abin Design Studio, the decorative pattern of the building is inspired by nature. There are single occupancy fully furnished hostel rooms for the students within the campus for both boys and girls along with mess facility available adjacent to the hostel. There is a common room for indoor games and the students also have access to the gymnasium. The entire campus is Wi-fi enabled with LAN connectivity thereby providing access to the internet to both the academic as well as the residential block.
