CHAIRMAN'S MESSAGE

JIMS was established in 1997 with a clear vision and purpose. It was envisioned that in the foreseeable future it would evolve into a world-class business-school recognized for its commitment to high powered quality education and research. JIMS is also committed to developing outstanding professionals & entrepreneurs, who exemplify humanistic values, are socially responsible stewards who will create & disseminate practitioner oriented knowledge that will uplift society.

The current global business environment is driving India Inc. to rethink strategy, reassess agendas & revisit several of the long-standing rules of the game. Leadership is being stretched for direction & results; management is being tested for fortitude & having a balanced head-on-shoulders approach to keep the momentum going. As the business world gets more complex, B-School recruits will need to be equipped with new skills-sets, innovative ideas and a heightened mental toughness to sail through the current corporate turbulence.

In order to keep pace with the velocity of change and thrive in an uncertain environment, JIMS has already shifted gears to a mode of mastering change. It has launched several strategic initiatives at both the macro and micro levels to ensure that students' overall development is in tune with the present demands and expectations of industry. At JIMS, our strategic focus in future will address areas of curriculum design, mentoring & live project, advanced statistical software training, international summer internship, soft skills, stress coping & EI learning. These initiatives will focus on developing student competencies in dealing with global complexity, emerging technologies, change, social & cultural diversity.

I am confident that our 'high values adding' initiatives will help create tomorrow's skilled leaders as 'value' is all about upskilling individuals and contributing to business results.

DIRECTOR'S MESSAGE

JIMS is a reputed brand in the Higher Education industry providing comprehensive and excellent educational and research services in both India and abroad. We are renowned for grooming our young students into multi-skilled managers well-suited for various sectors of the industry. Known for our academic excellence, rigorous research amongst faculty and students we spark passion for innovation and creativity in young minds. Our alumni are currently staffing prestigious positions in various MNCs and top of the line companies.

I am confident that with the excellent commitment and support of its eminent faculty the students will surely be able to carve new career landscapes in which to pursue their goals with passion and zeal. Energy and enthusiasm if rightly deployed can generate success in big bytes. Our students who are holistically developed to be multifaceted are well equipped to effectively manage employees with diverse skills and mindsets. I firmly believe that our students are competent and well equipped to swiftly respond to all future challenges.

Jagannath International Management School (JIMS), Kalkaji, was established in 1997 by Jagannath Gupta Memorial Education Society. In pursuance of its belief that the standard of living can be improved through quality education, Jagannath Gupta Memorial Educational Society – a non-profit registered organization, has been imparting high quality professional education for the past **27 years** in various states of India. It has already set up a number of high-quality educational institutes and is making efforts to establish its presence across the country. JIMS Kalkaji Campus, which conducts PGDM and PGDM (IB) courses (AICTE Approved), is situated in the heart of South Delhi. It is in close proximity to the prominent Nehru Place Business Centre and is well connected by Metro and Public Transport.

The institute is accredited by NBA and SAQS

The PGDM Diploma is recognized by the Association of Indian Universities (AIU) as equivalent to an MBA degree of an Indian University.

INSTITUTE & PROGRAMMES

JIMS is a platform where innovation meets hidden potential and career goals of students. It provides an environment where creativity thrives and careers scale heights. Engagement in live projects, case studies, and internships that bridge the gap between academics and practices is a part of curriculum. The initiatives such as summer internships, live projects, mentoring by industry professionals, guest lectures by specialists build student competencies that allow them to deal with global complexities and emerging technologies.

Our sustained focus on improving the quality of our academic deliverables has resulted in accreditation of our institute by the **South Asian Quality Assurance System (SAQS)** and **National Board of Accreditation (NBA)** and both of our Programmes : **Post Graduate Diploma in Management (PGDM)** and **Post Graduate Diploma in Management - International Business (PGDM-IB)** have been granted equivalence to **Master of Business Administration (MBA)** degree of an Indian University by the **Association of Indian Universities (AIU)**. The institute has also been awarded the ISO 9001:2015 international quality certification and ranked by NIRF among the top 100 institutions. To share, JIMS signed an MoU with the prestigious college SRCC, University of Delhi for Strategic Associations.

PROGRAMMES

The Institute offers the Two-Year Post Graduate Diploma in Management (General) and Two-Year Post Graduate Diploma in International Business Management recognised by the All India Council for Technical Education (AICTE), Ministry of Education, Government of India. AIU has granted equivalence to PGDM and PGDM (IB) as MBA degree.

The Institute has state-of-the-art computer labs in terms of hardware and networking technologies. High bandwidth internet connectivity of 100 Mbps is available round the clock. The LAN connects Core i5 machines with 18.5" TFT monitors. Students are exposed to operating systems such as WINDOWS 10 professional and Linux SUSE. Apart from application software, the students are also exposed to management software such as ERP, Systat, SPSS, Prowess, Capitaline database, Python, NVIVO, etc.

AUTOMATED LIBRARY

The library is a veritable storehouse of information with 25,000 text and reference books and 364 periodicals and journals (Indian and Foreign). It is completely computerized through 'LIBSYS' software and has a barcoding issue system. The library is well-equipped with DELNET & OPAC facilities. JIMS Library is also a member of the National Digital Library with the Subscription of J - Gate, NLIST etc. The Library is located on two floors and has a seating capacity of 110.

ENTREPRENEURSHIP CELL

To support the 'Start-up' and 'Stand-India' campaigns and ignite the entrepreneurial instincts of our students, E-Cell signed an MoU with ANDC In-Start and T.S.D., Singapore to extend support and aid in developing innovative business ideas. We have inspired, educated, and empowered our budding entrepreneurs as they innovate and create business ventures worldwide. Our mission is to accelerate the entrepreneurial ambitions of our students and alumni to enable them to be business catalysts in the dynamic business world.

TEACHING AIDS

The institute places considerable emphasis on the variety and quality of teaching aids provided in various laboratories, classrooms and other spaces such as conference room, auditorium etc. Smart boards, LCD, audio systems, etc. are available in all classrooms. These enabling facilities enrich management learning through films and documentaries.

NEW TECHNOLOGY LABS

In addition to IT lab, JIMS under its innovative umbrella has established Business Analytics, Commerce, Digital Marketing, Personal Growth and Communication Labs. To equip students with communication skills the latest communication software developed by Orell Technology is installed which helps to train and improve communication and team skills of the students. A Commerce laboratory has been newly set-up, wherein students practice their theoretical financial knowledge gained in the classroom. By this method of learning and practicing, students will develop knowledge and self-confidence to run a business profitably.

Wi-Fi Enabled Campus

The Laptop today is a handy equipment for all young scholars as it not only facilitates but also enriches the process of online academic learning. Wi-Fi facility is available throughout the campus. It enables students to sit and interact on-line anywhere in the campus. It also makes internet browsing seamless and convenient. This encourages the students and faculty members to seek information from a host of on-line databases. Students can instantly browse through numerous websites for information.

Transforming India's educational landscape

Amit Gupta's contributions to higher education have been marked by resilience, vision and transformative leadership

Hands-on approach
In India's dynamic educational sector, Amit Gupta, chairman of the JIMS Group of Institutions, stands out as a visionary leader. He started from modest beginnings but soon oversaw the expansion of a prestigious network of institutions, which is testament to his resilience, grit and dedication.

Strategic collaborations
With a strong foundation as a Commerce graduate from Shri Ram College of Commerce and an MBA from the Indian Institute of Foreign Trade, Gupta aimed to bridge the gap between academia and industry. A partnership in 2023 with Grant Thornton Bharat resulted in his vision to integrate industry relevance with academics. This led to the launch of an industry-integrated PGDM program at JIMS Kalkaji, ensuring industry-relevant education with guaranteed placements. Gupta also ventured into school education with the opening of St Xavier's School in 2020, which has become a reputed institute in Delhi NCR, and acquired

the Indian School of Business and Finance (ISBF) in 2022, offering a degree in affiliation with the London School of Economics.
JIMS has also established international collaborations, including exchange programmes with NUS Singapore, enhancing global exposure for students.
Gupta said his leadership philosophy is rooted in empowerment and innovation. He believes in "fostering a culture of excellence where education prepares students for real-world challenges". His contributions to higher education have been recognised with numerous accolades, including the Shiksha Ratan Award, while his commitment to societal upliftment is evident through various outreach programmes and scholarships offered for underprivileged students.

As JIMS enters its next phase of growth, Gupta's vision remains steadfast: He aims to create an educational ecosystem that not only adapts to the future but also shapes it. His plans include introducing cutting-edge programmes and strengthening industry partnerships to equip students with essential skills for the future. "Education is the key to unleashing potential," Gupta said. "And at JIMS, we're just getting started."
