VISION

“To be an institution where the most formative years of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast changing professional world, and a desire to grow into a personality than a person, in an environment that fosters strong moral and ethical values, teamwork, community service and environment consciousness”.

MISSION

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to our students through widespread use of technology.
- To empower our faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interests.

MANGALAYATAN UNIVERSITY, ALIGARH

To be a leader in education, an institution must be founded on two basic principles: keeping the interest of students as its foremost priority and recognizing that knowledge is ever-growing, omnipresent and requires the opening of minds.

At Mangalayatan University, we take pride in these two qualities being at the core of our existence. Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hardwork, embracing change and preparing oneself for the fast-progressing world with the latest skills and the highest level of social and personal values. Mangalayatan University, Aligarh was founded in 2006 and has graduated over 7500 students. Nearly 3500 students are currently studying on Aligarh campus.

Mangalayatan University vision is to give students from all kinds of background, a quality educational experience leading to legitimately rewarding career opportunities.

MANGALAYATAN HOSPITAL

Mangalayatan Hospital in Mangalayatan University campus is the recently added medical facility centre in the rural area of Beswan, Aligarh. The hospital plans to offer a variety of services including OPD, Diagnostic Centre and Emergency facilities having multi-speciality services. Mangalayatan Hospital under the aegis of philanthropic zeal of Mangalayatan university in providing services to the community, has planned to open shortly an operation theatre, 350-Bed ward for in-door patients and OPD for varied departments as available in multi-speciality hospital.

The OPD has already started for in-house MU staff and students and soon the OPD for various specialization will be operational subject to statutory permissions and compliances.

The Hospital building has already inducted such equipments and accessories as mandated in advanced hospital services.

MU Hospital will prove to be a boon for rural community of the neighbourhood villages by serving the nation through services to this great cause of humanity.
