# The ICFAI Group

*Pioneering Professional education for over 30 years.*

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry-academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in important areas of research covering environmental

sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

## “ From the Vice Chancellor’s Desk ”

The Institute of Chartered Financial Analysts of India University, Meghalaya Annual Report 2016-17

His Excellency,

The Governor of Meghalaya,

I am honoured to present the Eleventh Annual Report of The Institute of Chartered Financial Analysts of India University, Meghalaya for the year 2016-17.

In compliance with Section 44 of The Institute of Chartered Financial Analysts of India University, Meghalaya Act 2005, [Meghalaya Act No 12 of 2005], a report on the academic operations and activities for the period 1<sup>st</sup> April 2016 to 31<sup>st</sup> March 2017 is hereby enclosed.

With a sense of great pride, I can state that the University is operating from its own permanent campus at Tura. With the completion of the first academic-cum-administrative building, we are making endeavors to construct additional academic blocks as and when funds permit.

This academic period witnessed a considerable increase of the students’ strength at Tura Campus as compared with the preceding years, while Shillong campus is sustaining its enrollment. The University endeavors to revitalize and improve the quality of teaching mechanisms thereby ensuring a holistic academic development. The University strengthens its academia-industry interface through Summer Projects and Internships, wherein the companies benefit from the talent of our students and the latter benefit from the real world experience the companies give them. These industry interfaced relationships also result in successive job placements of the students.

The University is Accredited Training Partner for GST by National Academy of Customs, Indirect Taxes and Narcotics (NACIN), an Apex Institution of Government of India for capacity building in the field of Indirect Taxes.

Catering to the needs of a section of the student community, during this Academic Year, the University started new programs namely: the Bachelor of Arts in English (Hons), Political Science (Hons) and Education (Hons) and the Bachelor of Commerce.

The University acknowledges with gratitude the assistance and support given by the Government of Meghalaya towards the functioning and development of the University. The University through its Faculty, Staff and Students strive to be a testimony to what a community of smart, spirited, industrious and diligent individuals can accomplish. The ongoing journey of progress and development is an outcome of the dedication and team work of everyone connected to it, the Sponsors, the Members of the Statutory Boards, Faculty, Staff, students and well-wishers.

The University will continue to be the Spring of Knowledge to our people, our state and our nation.

The enclosed report expatiates on the Academic, Student and Faculty Development activities as well as the Infrastructure for the year 2016-17.

### Selection and Admission Process

Selection of applicants into respective programs is made through screening of applications and personal interviews.

#### Postgraduate Programs

**MBA Program:** The Master of Business Administration (MBA) program provides the students with the knowledge, skills and strategic perspectives essential to business leadership and managerial career. The curriculum is designed to provide a portfolio of strong functional skills and the ability to adapt and integrate these skills in different management settings. Students who have graduated in any discipline from a recognized University with an aggregate of 45% marks and above are eligible to apply for the same.

**MTTM Program:** This program initially was known as the Master in Tourism Administration (MTA). However, in compliance with UGC directive, the program is renamed as Master in Travel and Tourism Management (MTTM). The MTTM program prepares students for managerial positions as required by the tourism

industry, which is one of the fastest growing industries in the world. The program equips the students with entrepreneurship skills in the field of tourism administration. Students who have graduated in any discipline from a recognized University with an aggregate of 45% marks and above are eligible to apply for the Program.

**M.Com Program:** The Master of Commerce (M.Com) Program is a postgraduate program covering areas on accounting, management, banking and economics related courses. The uniqueness of this program is that, it allies with other Management courses making the student with this M.Com degree a multi-tasker. Students who have graduated in Commerce, Economics (Hons.) and Business Management from a recognized University with an aggregate of 45% marks and above are eligible to apply for the Program.

**MCA Program:** The Master of Computer Applications (MCA) program is based on contemporary curriculum and cutting edge pedagogy thereby equipping the students with up-to-date technical and IT skills required in public and private sectors. Students who have graduated in any discipline from a recognized University with an aggregate of 45% marks and above with Mathematics at 10+2 level are eligible to apply for the Program.

**I-MCA Program:** The Integrated Master of Computer Applications (IMCA) program aims to deliver a comprehensive study of the Bachelor of Computer Applications and Master of Computer Applications as one integrated program saving a student one year in attaining a Postgraduate degree. The knowledge and skills required are planning; designing and building Complex Application Software etc., which are highly valued in all industry sectors including business, health, education and arts. The basic aim of the course is to provide to the country a steady stream of the necessary knowledge, skills and foundation for acquiring a wide range of rewarding careers into the rapidly expanding world of the Computer Science and Information Technology. Students who have passed 10+2 with aggregate 40% and above marks (any discipline) can apply for this program. Final year students awaiting results are also eligible to apply.

## Undergraduate Programs

**BBA Program:** The Bachelor of Business Administration (BBA) program imparts an in-depth knowledge and broad understanding of functional areas of Management. The program focuses on various areas of management and prepares the students for a professional career in management and prepares them for pursuing MBA after graduation.

**BHTM Program:** Students of the Bachelor of Hospitality & Tourism Management (BHTM) program are gradually being phased out in compliance with the UGC directives, dated July, 2014. This program is bifurcated into two programs: Bachelor of Hotel Management and Bachelor of Travel and Tourism Management.

**BTTM Program:** The Bachelor of Travel and Tourism Management (BTTM) program prepares the students for managerial positions required by the tourism industry. The program envisages the students as entrepreneurs who want to start their business in the field of tourism and /or in hospitality sectors.

**B.Com Program:** Commerce is the corner stone of the individual, the national and the global life, without which no economic activity can take place. The Bachelor of Commerce Program of the University opens a wide range of area for the students who want to make a mark for themselves in the public and private sectors. The program will help them to gain sufficient knowledge and skills in the field of economics and management which are the core essentials of the commercial world.

**BA Eco. (Hons) Program:** The Bachelor of Arts Economics (Hons) aims to meet the requirements of the dynamic world and equip students with the requisite knowledge giving them an edge in the current scenario and open up avenues to pursue varied career options. With this in mind, the core courses of Economics are supplemented by Management related courses.

**BA Education (Hons) Program:** The Bachelor of Arts Education (Hons) program is designed to prepare the students to understand, learn and practically apply the basic tenets of Education as a discipline of study. The program will help

deliver skills and strategies for learning, from the sociological to the philosophical and psychological pillars of education. This program is prepared in a way to understand how we learn, what we learn, and how we transform that learning into action. The range of issues in education is vast. Hence, it will provide opportunities to explore topics with an in depth analysis. B.A. Education (Hons) will give access to a wide range of learning experiences to hone the abilities and enable one to engage positively in any context.

**BA English (Hons) Program:** The Bachelor of Arts English (Hons) program is designed to prepare the students to understand and appreciate the English language and literature thoroughly and at the same time effectively use the language to enhance their Speaking, Listening, Reading and Writing skills. The program seeks to offer the students a plethora of diverse topics covering almost each and every aspect of English language and literature. This will give a unique opportunity to the students to have a theoretical, philosophical and analytical view of English language and literature.

**BA Political Science (Hons) Program:** The Bachelor of Arts Political Science (Hons) attempts to study and understand world events, their background, and the how's and why's of decisions being made that affect the people in totality. The program is designed to explain and understand the political system and politics from local to global levels. Importantly, graduates of Political Science (Hons) are prepared for careers in government sectors, in international organizations such as the UNO, business, law, journalism, psychology to name a few.

**BCA Program:** Bachelor of Computer Applications (BCA) program provides a sound academic base in computer skills and applications from which an advanced career in computer applications can be developed. The students get a good conceptual grounding in computer usage and its practical business applications.

### 13. Student Activities

The Students of the Tourism Department of the University, visited the Monolith festival at Mawphlang, organized and hosted by the Autonomous District Council of Khasi Hills on 1<sup>st</sup> April, 2016 to display the rich culture of the Khasis. Local cuisines, artistry and handicrafts were exhibited. In a word, the students were enlightened on the above areas.

To fill the gap of limited industrial exposure in the State, the final year students of the Undergraduate and Postgraduate programs were taken on an industrial Tour to New Delhi and Haryana in the month of March 2017. Short industrial visits within the State and to the adjoining states were regularly conducted.

Essay writing and Painting competitions were held to celebrate the National Voters' Day on January 25, 2017 with an objective to impress upon the students the significance of our country's democracy by encouraging them to enrol themselves as voters of the country and exercising their right to vote.

### Highlights of the Year

**The ICAI Food Festival 2016** held on 23<sup>rd</sup> September 2016 with the tag line “Delight your taste buds” was organised by the Department of Travel and Tourism, Tura Campus.

Mr. Zenith M. Sangma, Minister of Sports and Youth Affairs, was the Hon’ble Chief Guest, Mr. Ashahel D. Shira, Parliamentary Secretary, was Guest of Honour, Mr. Pravin Bakshi, the Deputy Commissioner of West Garo Hills district, as our special invitee and other dignitaries including principals and head masters of colleges and higher secondary schools attended the same.

This festival with food as its centrepiece, aims to beckon the people of Tura to experience a cultural fusion as we inspire all the amateurs and professionals alike to exploit their culinary skills and use this platform to exhibit their talent in five different categories – Indigenous food, Indian cuisine, Confectionery (cake), Salad dressing and Vegetable carving. This event aims to promote local cuisines and delicacies as one of the ingredients for promotion of tourism in the Garo Hills region. The Travel and Tourism Department of the University wants to mould the students and youth into tourism professionals to compete in this contemporary era.

A total of 42 participants took part in the various competitions and were judged by some of the town’s well known gourmets.

**A Football Tournament** was organized at the Shillong Campus between 21<sup>st</sup> May - 4<sup>th</sup> June 2016, where 32 teams from all over Meghalaya participated.

- Dr. (Mrs) A Lyngdoh, Minister of Urban Affairs was the Chief Guest during the Opening Ceremony and Mr. A War, MDC, Member of KHADC was the Chief Guest during the Closing Ceremony.
- University co-sponsored the ‘LaTomatina Festival’, held at Water Sports Complex (Orchid Lake Resort), Umiam, on May 21, 2016 where the organizers of the Festival aimed to showcase the musical talent of the youth.

**Observing World Environment Day:** On June 4, 2016, the students and staff of the Shillong campus together with the other educational institutions within the adjoining areas, conducted a cleanliness drive to clear the debris alongside the stream next to the campus. The cleanliness drive was organized by the youth wing of the Malki under the leadership of the Minister of Urban Affairs, Dr (Mrs) M Ampareen Lyngdoh.

**Super 5 Challenge:** Having conducted the first ever Super 5 Challenge (5 a side Football Tournament) at Tura, the University in collaboration with the Office of the Deputy Commissioner, South Garo Hills and District Sports Office of South Garo Hills District, held the Second Super 5 Challenge at Baghmara from June 14-16, 2016.

Mr Rophul R Marak, Parliamentary Secretary, was the Chief Guest of the day of the Final Match. The Second Tournament was a huge success and one of the impact of the tournament was that the youth of the area were enlightened on the educational and economic values of management programs.

**The NSS Unit of Tura Campus** in consonance with the circular from MHRD, Govt. of India, observed the “AZAADI 70” on August 23, 2016. The students enthusiastically participated in the Debate and Quiz competitions which were conducted to mark the occasion.

## 15. Community Activities

In correlation with **World No Tobacco Day on May 31, 2016**, the NSS Unit of the University observed the Day by having an in campus briefing - counselling program for the students on the ill effects of the use of any and all forms of tobacco, and advocating effective policies to reduce tobacco consumption. This was followed by a street campaign of the NSS Volunteers from the Shillong campus to Police Bazaar against the use of tobacco.

**World Blood Donor's Day:** On June 14, 2016, 10 students of the Shillong campus observed the day by donating blood at the Nazareth Hospital, Shillong.

**Meghalaya Aids Control Society (MACS)**, Govt. of Meghalaya and Pasteur Institute, Govt. of Meghalaya, in association with ICFAI University, Meghalaya conducted another Blood Donation camp at the Shillong campus on September 6, 2016. Three doctors from the Blood Bank of Pasteur Institute with their assistants and two representatives of MACS conducted the camp. About 20 students came forward to become donors.

An awareness program for the students on the benefit and significance of blood donation was also highlighted on the day.
