**Transform with the No. 1\* to get placed**

\*Assam Kaziranga University acquired the top spot in Innovation Council Performance rating conducted by IIC Cell, Ministry of Education, Govt. of India, 2019-20

## From where it all began

The Assam Kaziranga University - Exalted by nature, 50+ acres of expansive campus, envisioned for providing holistic and neoteric **Industry 4.0** compatible educational facilities to students.

Founded in 2012 by the Khetan Industrial Group, Jorhat, The Assam Kaziranga University was established under the Assam Private Universities Act, 2007 (Act No. XII of 2007) as defined by Section 2 (f) of the University Grants Commission Act, 1956, approved by AICTE, and promoted by the North Eastern Knowledge Foundation (NEKF).

With an intention to provide unique learning experiences to students of the North-East, backed by global standards, we enable students to understand and develop the value of collaboration and create a community of not just employees, but entrepreneurs. With our **seasoned faculty, from both industry and academic arena**, state-of-the-art infrastructure and the best of industry collaborations, we aim to nurture the biggest of aspirations and the tiniest of dreams.

## Where is it?

Kaziranga University is located amidst the meadows of nature, to let the students study in a peaceful atmosphere avoiding commotion.

World Heritage Site  
Kaziranga National Park

KU Students

The heart of any institution is its culture, ours happens to be **Selfless, Collaborative and that of Co-creation**. The world is looking for co-creators and we at **KU** are imbibing the culture deeper into the DNA of our students. We don't end here, we have an open cafe called Bhukkad and KU cafe, because we know that conversations spark new ideas and ideas become unicorns when we talk over a cutting chai or a cup of coffee.

# Culture: Collaborative. Curious. Selfless

## *The Co-Creators*

# Talent Tantra

The Annual Fest of Kaziranga University

One of the largest and most happening University festivals of India, Talent Tantra is a box filled with all the mojoness of young energies, celebrities and raw talents, that collaborate and create an aura to be felt not heard.

Sorry, we could not add more images...to see one of India's biggest fest - 'Talent Tantra' in action, **scan the QR code**

# Why KU for future?

We are the Number 1\*  
University of North-East  
India in Innovations

By Institution's Innovations Council' 20  
(A Ministry of Education Initiative)

## Virtual Infrastructure

We have one of the most powerful cloud computing infrastructure facilities in India at University level in partnership with AWS Cloud, IBM Cloud and Oracle Cloud.

**\$800+** of free Amazon Web Services (AWS) cloud credit vouchers for students of KU, the **only university having this collaboration with AWS in the North-East.**

Ever imagined working on a **96 core virtual processor, 512 GB RAM computer with 2 GBPS internet speed?**  
Experience the power at KU.

## Patent Obtained' 21

**Dr. Ram Murat Singh,**  
Asst. Prof. & HoD - EE & ECE

Obtained an Indian Patent for his work on '*Design on Laser Diode*' 21

We are North-East India's only Private University with state-of-the-art workshop for hands on practice of our engineering students on a diverse range of Industry 4.0 technologies.

- 1 TAL Brabo Industrial Robot
- 2 Industrial Automation lab powered by Bosch Rexroth
- 3 Siemens Mechatronics systems
- 4 SKF Centre of Excellence (only one in North-East India)
- 5 A fabrication lab with rapid prototyping equipment such as 3-D Printers

## Here's why the best chose us:

**Riya Mudoj** (Gold Medalist), BSc (Chemistry), Dibrugarh University (Joined our MSc program)

I have always aspired to study in a well-known university and having researched the academicians, infrastructure, and excellent alumni of the School of Basic Sciences at KU, I consider it a pleasure to be able to pursue my Post Graduation degree from here. With the onset of classes, I observe that the university focuses on career enhancement and encourages the students to achieve their goals. I am looking forward to the next two years of my transformational journey.

**DO STOP BY**

## Dean's Message

CDPC aims at providing the students of KU a bright career, be it in terms of **Jobs, Higher Studies or Entrepreneurship**.

To achieve the same, we continuously strive to develop the **employability skills of all the students, by developing their Aptitude, Communication and Personality**. We have incorporated these skill development programs into their curriculum and are yielding good results.

**Prof. Puranjoy Das**  
Dean, Career Development & Placement Cell (CDPC)

CDPC organizes **Seminars, Workshops, Webinars, Guest Lectures and Live Projects** for its students along with **mentorship sessions from our Alumni** to get an insight into the corporate world.

CDPC also conducts **On-Campus, Pool-Campus, Job Fairs, and recruitment drives for KU Students** and other students of the region to increase the employment ratio of the North-Eastern region.

## Entrepreneurship

KU is the first academic partner of ASSAM STARTUP - The NEST (a Govt. initiative), becoming the 1<sup>st</sup> university to start an incubation center within the campus for budding entrepreneurs.

Within this initiative we have one such success story – EKO Delivery.

The alumni of KU have been pursuing higher studies in various reputed institutions like

We are recognized by AICTE, UGC and AIU; but also adored by our alumni

  <p>The 4 years spent at KU were remarkable. As a student of KU, I got to pursue my bachelor's last semester at the prestigious Technische Universität Chemnitz, Germany. I am immensely thankful to all my mentors for the constructive criticism and support they provided me throughout my journey. I will always be a proud KUian.</p> <p><b>Farhana Yashmin Rahman</b> BTech - ECE Audi Germany</p>	  <p>I joined KU fickle-minded about my career. The MBA course at KU helped me develop holistically, giving industry knowledge and insights to the business world. With the mentoring, I got placed at Emirates Healthcare Group, Dubai, I am confident that this milestone is just the beginning. Thanks, KU for this opportunity.</p> <p><b>Charmingstar Kharsyntiew</b> MBA Emirates Health Care Group, Dubai</p>	  <p>I got placed in HCL Technologies, before the completion of my BTech degree, through an on campus recruitment drive conducted by CDPC. Thank you KAZIRANGA UNIVERSITY for giving me this opportunity.</p> <p><b>Twinkle Kaur</b> BTech - CSE HCL Technologies Ltd. New Delhi</p>	  <p>KU is the most cherished part of my education life. The encouragement received from my faculties was a turning point of my life as it helped me build self confidence which led to my selection for the PhD program at Tezpur University.</p> <p><b>Gaurav Gogoi</b> MSc (Chemistry) BCPL Assam</p>

# Our Global Connects

Unity in diversity is what our multicultural ethnicity aims at imbibing within the students by creating a diverse campus-culture of Co-Creators. With an assorted cultural outlook, we aim at their cognitive and holistic development.

The International Relations Office (IRO) plays a pivotal role in delivering this learning experience. It provides a host of services to the University's students, including integrating international students into the University culture, academic and social mentoring, counselling for international higher education, and preparation for tests like TOEFL, IELTS, GMAT, GRE etc.

## Partnerships and Associations with Best of Global Universities

The world is looking for co-creators and we at KU are imbibing the culture of empathy, co-creation and collaboration, whilst training them to become industry 4.0 ready and gain world class education.

KU has tied up with multiple reputed universities and institutes as "Knowledge Partners" to enrich the learning experiences for its students. These associations help us in benchmarking our academic curriculum internationally, thus providing technical expertise in its delivery. Being associated with educational institutes, KU steps forward in collaboration and co-creation through joint research, collaborative projects, webinars, visiting faculty, and short-term academic programmes for students in the form of specially curated courses, semester abroad programmes, and summer and winter schools.

## Higher Education

Our associations with reputed HEIs in Europe and other parts of the world provide higher education opportunities to the students of Kaziranga University.

KU has also set up a Centre of Excellence (CoE) with Inspirus Education focused on assisting its students looking to undertake higher studies abroad. Inspirus Education has over **20 years of experience** in overseas education and test preparation. In the past two decades, they have trained and counselled **9000+** students enabling them to realise their dream of studying abroad in the **top 100 universities** worldwide. The Inspirus Education Centre of Excellence at KU is aimed at providing individual attention to its students.

**Banashree Gogoi** - 4th Semester, MSc Chemistry student from the School of Basic Sciences, has been accepted into the PhD program at the Department of Chemistry & Chemical Biology, **University of Arizona, United States**, with a full 5-year fellowship.

# Milestones

Kaziranga University's NCC cadets, marched with India's mighty NCC Contingent at the 72<sup>nd</sup> Republic Day Parade '21 in New Delhi.

## The 1<sup>st</sup> Electronic Solar Vehicle in the North-East

The Electronic Solar Vehicle Championship (ESVC, 2019) was organized by the Imperial Society of Innovative Engineers (ISIE) and Chandigarh University and is Asia's first solar-powered vehicle design and manufacturing event.

The **Kaziranga University's** Team Tejas was the first-ever and only team from the North-East to have participated in such an event and won the Team Spirit Award and ISIE Future Award of 1 lakh INR on 31<sup>st</sup> March 2019.

The five-day event at Chandigarh University, saw more than 60 teams participate from over 20 states.

## KU Patents Filed

**Smart Dustbin:** A voice controlled dustbin which can be controlled through mobile as well as AI enabled voice controlled mechanism connected with Alexa. Physically disabled person can call the dustbin and dustbin will go and meet the sound source and collect the garbage and return back. If any obstacle comes in between then dustbin will change direction to avoid collision.

**A system to monitor Moisture Level in the soil:** This invention relates to collect the soil parameters like moisture level, pH level, temperature etc

remotely and provide the real time data to the farmer from remote location. The farmer can monitor the soil condition from remote location through in build mobile and take necessary action.

## Entrepreneurs of KU

Super successful Eko Delivery services was supported and incubated in Kaziranga University as part of it's mission to promote not just placement but entrepreneurship for it's students.

- Recognized by Ministry of MSME
- Selected among top 20 start-up in IIT-Guwahati
- Eko Services Delivery app to be launched across Assam

## Meet our alumni and co-founders

# Amenities

**Library** - from Sheldon to Kotler, the range varies

We make sure that  
KU is your home  
away from home

Kaziranga University is a world within the campus, and allows you to be proactive in your choices for a better future. The university has made all possible attempts to keep it's students engaged and motivated during the period when they are away from their homes.

**WiFi enabled campus** - because lets admit, you cant survive without it!

**Cafeteria** - your birthday, your friend's birthday, your friend's friend's birthday, you get the reason we have the cake

**Sports Arena** - here you can bend it like Beckham!

**Gym** - from Khali to Mary Kom, we have resources for all

**Language Lab** - o genki desu ka?, didn't get? We'll teach you!

**Multi-Facility Air-conditioned Auditorium** - for the Shakespeare in you

**Air Conditioned Classrooms** - for that cool breeze in summer

**Workshop/Skill Development Centre** - enabling you to be an explorer

**Bus Facility** - another way to keep you near, only if you don't miss the bus

**Medical Room** - for every sickness except for when you get homesick!

## School of Business

KUSOB aims at achieving 360° transformation in Knowledge Skill and Attitude (KSA) of the students by grooming and developing them for industry ready future managers and leaders through systematic industry linked value added academic delivery, domain based professional honing in collaboration with reputed organizations.

**Dr. Sarojakshya Chatterjee**  
PhD – IIT, Kharagpur  
Certified Associate of Indian Institute of Banker

## School of Engineering & Technology

KUSET is committed to promoting excellence among students through an industry collaborated curriculum that is kept dynamically abreast with futuristic technologies, state-of-the-art engineering infrastructure, innovative initiatives for employability skills and a complete eco-system for holistic development for promising professional future.

**Dr. P.G. Ramesh**  
PhD – IIT, Bombay  
Ex-Indian Navy, L&T

## School of Health Sciences

As the Indian government aims for Universal Health Coverage, the lack of skilled and allied health professionals may prove to be the biggest obstruction in its path to achieving its coveted goals. The SHS at Kaziranga University aims at contributing to society by fulfilling the gap of required skilled and allied healthcare professionals.

**Dr. Ashok Kumar Kayal**  
DM (Neurology) from PGIMER, Chandigarh  
MD (General Medicine), GMC, Guwahati

## School of Basic Sciences

The priority of the KUSBS is its students and we ensure this by offering value-added hard and soft skill workshops by experts, summer internships and project works in research laboratories and in-house coaching so that our students are ready for the industries, R&D and related higher studies.

**Dr. Jayanta Kumar Sarmah**  
PhD – Gauhati University

## School of Social Sciences

KUSSS aims at promoting excellence in the Social Sciences, not just regionally, but also at the national and international levels. It provides a conducive atmosphere where students can develop their full potential while putting a strong emphasis on employability. The overall aim is to provide students with an experience that they will cherish for the rest of their lives.

**Dr. Rupakjyoti Borah**  
PhD – Jawaharlal Nehru University

**Mr. Bobby Roy**  
Dean, Admissions

At Kaziranga University, we believe in making the pursuit of education an experience that leads to the unveiling of a child's true potential. In this immensely competitive world, we provide our students with the opportunity to hone their skills, ambitions, and passions in a career-oriented manner. This integration is achieved through varied collaborations with industry leaders that help deliver our courses; a dedicated faculty pool, untiring and unwavering in their commitment towards providing education par excellence; and a support staff that has led to unparalleled placement record.

We aim to develop the most employable student at the end of their tenure with KU, and I am proud to say that this endeavour has been a success year on year. A large part of this victory is attributed to the fact that KU focuses on advancing practical knowledge through lab work and internships at some of the world's leading companies. Coupled with state of the art infrastructure, it facilitates the holistic development of a student leading to our students getting placed in worldwide leaders like Audi, Intel, TCS, IBM, Amazon, Capgemini, Nestle, to name a few.

In choosing KU, you elect to become a part of the world-class experience that members of this family painstakingly put together to give an experience that opens doors like no other! Welcome!
