Students will understand the key concepts and their applications in business decisions like make or buy, expand or shutdown, expand or shrink product, mix etc. One will be able to analyze and understand behavior in an organizational context with an emphasis on decision making. Students will understand the importance of efficient operations management and its static importance in the smooth functioning of the business.

Students will be able to understand the working of the global market; will become more sensitive to other cultures and capable of working in international teams. One will also be more comfortable and capable of managing diversity as you will develop strategic skills and adaptability. Students will have the global vision of the business operations and high level of responsibilities. This makes the difference with most specialized masters. One will understand the business as an integrity system, the relations between the functional areas, and long range planning, implementation and control.

India is indicating for strong economy and Central INDIA (Central Region) can be the trigger of this growth. The industrial and economic policies framed here, industrial associations meet, and CEOs evenings are all realities here and not media news. This can be also one of the cultural convergence centers of India for both national and international. A location of such importance is always an asset for exposure to the real life learning and developing national and global networking.

You are very well in reach to become an extraordinary personality, you need an extraordinary Institution. Management Education in NITMS has brought a tremendous aroma in the youth of the society to lead the global corporate chart. The Institute respectfully seeks those who have a keen desire to become destiny- making business leaders. Their association with us will strengthen our hands in our efforts to add value to human life in general and to business world in particular.

**National Institute of Technical and Management Studies (NITMS) was founded by "Kamlashree Welfare Society".**

NITMS provides a transformational experience to its students who are expected to maintain the highest standard of personal integrity, professional commitment and business ethics. Life at the institute is a fantastic social experience which develops a sense of belongingness to the community among students and makes cross-cultural interaction easier in their future lives.

We take care to inculcate these values among our students while shaping and sharpening their mindsets by the academic rigor of our programs. Due emphasis is placed on exposing our students to real-life situations of the corporate world and facilitating interaction with the best minds in the industry and with those who have helped achieve their missions with strong ethical undertones. Our Professional Courses emphasizes on the combination of core business subjects and soft skill courses which lead to total personality development of the students. Through our rigorous and intensive teaching methods, we aim to equip our students with the essentials of the business world., Our Institute offers an interwoven program - Understanding the importance of soft skills along with the basic business modules.

# NITMS

**ICAA**  
Indian Council for  
Accreditation & Assessment

ICAA is an autonomous, accrediting agency, a private association assessing private training and coaching institutes offering technical, professional, and vocational coaching and training services and programs. As we know, accreditation plays an important role in survival and success of an institute.

It is a seal of authentication, a benchmark of excellence for an institute

Validating to people who wish to avail of their services, that the institute has qualified professors, appropriate study material and course modules to offer superior educational environment for students enrolling with them. Besides, it also has suitable equipment and technology, and abides by policies with regard to recruitment and admission.

The accreditation standards set by ICAA place emphasis on knowledge and discipline in order to stimulate academic environment and quality of teaching that such institutes are known to provide.

**INDIAN  
COUNCIL FOR  
TECHNICAL  
EDUCATION**

To establish and develop the Institute as a centre of higher learning, ever abreast with expanding horizon of knowledge in the field of engineering and technology, with entrepreneurial thinking, leadership excellence for life-long success and solve societal problem.

**ICDE**  
Indian Council for Distance Education

To provide distance learning opportunities to the unreached and enable them to pursue quality higher education leading to competence of a high order.

The IAF is the world association of Conformity Assessment Accreditation Bodies and other bodies interested in conformity assessment in the fields of management systems, products, services, personnel and other similar programmes of conformity assessment. Its primary function is to develop a single worldwide program of conformity assessment which reduces risk for business and its customers by assuring them that accredited certificates may be relied upon. Accreditation assures users of the competence and impartiality of the body accredited.

Dubai Accreditation Center (DAC) has recommended Certification Body accreditation to NQA Middle East, Dubai covering ISO 14001:2004 and OHSAS 18001:2007 standards.

Though NQA Middle East has UKAS accreditations, it is important to be compliant to a local regulation requiring all certification bodies operating from Emirate of Dubai to be accredited by DAC.

As per the Law 2/2010, DAC is recognized by the UAE government as the official body in the Emirate of Dubai responsible for assessing and accrediting the competence of organizations in the field of certification of management systems, products and personnel etc.

DAC also became an International Accreditation Forum (IAF) MLA signatory in 2013 for Certification Bodies in Middle East with the main scope of 'Management System Certification ISO/ IEC 17021 and sub scopes of Management Systems.

## JAS-ANZ

JAS-ANZ supports international cooperation by establishing arrangements with accreditation bodies operating around the world.

These arrangements mean countries recognise and accept each other's certificates and inspection reports. This reduces the time, money and effort involved in re-certifying or re-inspecting. It makes it more efficient for one country to do business with another country.

JAS-ANZ is an active member of and signatory to several cooperative arrangements between accreditors.

The Examination Procedure consists of three different Methodologies:

- **Study Centre**
- **Exam from Home / Open Book System**
- **Online (Subjective/Objective)**

Study Centre method consists of complete theoretical Question Answer based examination. Each semester will have 10 days for completion. Within these 10 days the examination will be held at the respective study centre where the examination period will be for 3 hours per subject. Students will be allowed to take up examinations as they wish within these 10 days with a day break or with no break.

Exam from Home or the Open Book System is a unique way of appearing for exams. In this method student can appear for the examination any point in time from anywhere across INDIA. Student will be given a period of 10 days for each semester to submit their answer sheets in their respective NITMS study centres via Courier or Speed Post. The question paper will be completely situation based wherein students will be given different case studies so as to get their practical knowledge on a high. This also results in good practical knowledge for students as they take on different case studies and try and get out their own views & opinions regarding it.

Online Examination will consist of both Subjective and Objective type Questions. Students can submit their answers online through a proper submission id assigned to them. The questions will be situation based so as to get a more vibrant practical knowledge and practical thinking.

Each subject will be of 100 marks wherein the passing marks will be 50%. Students will be assigned different grades as per the outcome of their result. Students can collect their Certificates & Mark sheets from the respective Regional Office of NITMS.

The Grades for Students will be given as follows:-

- **A + 80% & Above**
- **A 65% – 79%**
- **B + 60% – 64%**
- **B 50% – 59%**

■ BBA ■ MBA ■ DMS

Management courses that we offer are highly compatible with International standards. It has been our constant endeavour to provide the best possible study material for the students. The International curricula added in our syllabus are an effort to make this possible. We want our students to excel in what they are doing; creating a Manager is not the aim for us, its making a Manager who can really take its organization on a high

Course	Bachelors Program in Business Administration	Masters Program In Business Administration (Dual Electives)	Doctorate In Management Studies

<p><b>Total Fees Rs.30500.00</b></p>	<p><b>Total Fees Rs.30500.00</b></p>	

**Master in Electrical Engineering**  
**Graduate or Diploma with 5 years Work Experience**

**SEM – I**

- 1) Field Computation of Electromagnetic devices
- 2) Modelling & Simulation of Dynamic Systems
- 3) Advanced Instrumentation Techniques
- 4) Special Purpose Electrical Machines
- 5) Control System Engineering
- 6) Advanced Power System Principles
- 7) Lighting Design & Calculation

**SEM – II**

- 1) Static Converters in Electric Drives
- 2) Digital Control Theory
- 3) Elements of High Voltage Engineering
- 4) Material Technology
- 5) Active Circuits & Systems
- 6) Optimization Techniques
- 7) Solid State Power Supplies

**SEM – III**

- 1) Modelling & Analysis of Electrical machines & Drives
- 2) Transducer Technology
- 3) Power System Analysis
- 4) High Voltage Fields
- 5) Optimal & Robust Control
- 6) Computer Control of Industrial Processes
- 7) Small Machines, Incremental Motion Devices

**SEM – IV**

- 1) Computer Application in Instrumentation
- 2) Power System Operation
- 3) Dielectric Engineering
- 4) Real Time Systems
- 5) Nonlinear & Adaptive Control
- 6) High Voltage Equipment
- 7) Specialization/ Optional subject

**Course Duration**  
**1 - 2 Years**

**Total Fees Rs.37500.00**

- Diploma in Civil Engineering
- Bachelors Program in Civil Engineering
- Master in Civil Engineering
- Diploma in Survey Engineering

These programs are meant for basically those professionals who are already working in technical departments of the corporate sector. These courses enable our students to go ahead and achieve the higher profiles in their respective organizations through a high profile curriculum

# CIVIL

# ENGINEERING

## Master in Civil Engineering Graduate or Diploma with 5 years of Work Experience

### SEM – I

- 1) Advanced Structural Mechanics - I
- 2) Advanced Design of Concrete Structure
- 3) Structural Dynamics
- 4) Foundation Engineering
- 5) Advanced Materials
- 6) Numerical Methods in Engineering
- 7) Communication Skills for Engineers

### SEM – II

- 1) Advanced Structural Mechanics - II
- 2) Advanced Design of Steel Structure
- 3) Earthquake Engineering
- 4) Building Environment & Services
- 5) Construction & Project Management
- 6) Operation Research
- 7) Environmental Risk Assessment & Hazard Management

### SEM – III

- 1) Construction Techniques & Equipment
- 2) Low Cost Housing
- 3) Construction Cost Dynamics
- 4) Probability, Statistics & Optimization Techniques
- 5) Architecture & Town Planning
- 6) Environment Impact Assessment
- 7) Bridge Engineering

### SEM – IV

- 1) Transportation Economics
- 2) Soil Mechanics
- 3) Water Power Engineering
- 4) Technologies for Rural Development
- 5) Fundamental Specifications for Steel Constructio

Course Duration  
1 - 2 Years

Total Fees Rs. 37500.00

## Diploma in Survey Engineering S.S.C with Work Experience

### Sem I

- 1) Communication Skills
- 2) Physics - I
- 3) Chemistry - I
- 4) Mathematics
- 5) Engineering Mechanics

### Sem II

- 1) Business Economics & Accountancy
- 2) Physics - II
- 3) Chemistry - II
- 4) Engineering Mathematics
- 5) Strength of Material

### Sem III

- 1) Engineering Drawing
- 2) Environmental Engineering
- 3) Basic Electronics
- 4) Chain & Compass Survey
- 5) Lelelling & Plane Table Surveying

### Sem IV

- 1) Cartography
- 2) Geodesy & Astronomy
- 3) Tachometry & Cadastral Survey
- 4) Theodolite Survey
- 5) Materials & Construction Practice

### Sem V

- 1) Industrial Management
- 2) Curve & Triangulation
- 3) Topography & Hydrography
- 4) Tunnel & Mine Surveying
- 5) Town & Country Planning

### Sem VI

- 1) Land Laws & Land Records
- 2) Photogrammetry & Remote Sensing
- 3) Estimation, Valuation & Control
- 4) Design of RCC Structure
- 5) Mining Technology

Course Duration  
1 - 3 Years

Total Fees Rs. 30500.00

# DIPLOMA PROGRAMS (SIX MONTHS DIPLOMA COURSES)

Diploma In Bussiness Management  
 Diploma In Business Organization & Management  
 Diploma In Office Administration  
 Diploma In Sales & Marketing Management  
 Diploma In Industrial Relations & Personal Management  
 Diploma In Industrial Security Management  
 Diploma In Dairy Management  
 Diploma In International Business  
 Diploma In International Marketing Management  
 Diploma In Hotel Management  
 Diploma In Hospital Administration  
 Diploma In Cyber-Law

Diploma In Internet & Intranet Security  
 Diploma In Logistics & Supply Chain Management  
 Diploma In Fire & Safety  
 Diploma In Retail Management  
 Diploma In Construction/Construction Safety  
 Diploma In Agriculture Management  
 Diploma In Mining Management  
 Diploma In Human Resources Development  
 Diploma In Human Resources Management  
 Diploma In Labour Laws  
 Diploma In Financial Management

Diploma In Production Management  
 Diploma In Material Management  
 Diploma In Export & Import Management  
 Diploma In Industrial Safety  
 Diploma In Research & Development  
 Diploma In Advertising & Public Relations  
 Diploma In Mass Communication  
 Diploma In Automobile  
 Diploma In Food Technology  
 Diploma In Environment Management  
 Diploma In Store Management  
 Diploma In Customer Care Management

## Diploma In Bussiness Management

- 1) Elements Of Management
- 2) Office Administration-Methods And Systemes
- 3) Financial Managements
- 4) Marketing Managemen

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Industrial Relations & Personal Management

- 1) Elements Of Management
- 2) Labour Welfare Law
- 3) Industrial Relations & Legislations
- 4) Personnel Managemen

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In International Business

- 1) Elements Of Management
- 2) Export Marketing
- 3) International Marketing Management
- 4) International Economics & Foreign Trade

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Bussiness Orgaization & Management

- 1) Elements Of Management
- 2) Organization Behavior
- 3) Fundamental Of Mgt. Information System
- 4) Basics Of Accounts Of Finance

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Industrial Security Management

- 1) Elements Of Management
- 2) Environment and Industrial Security
- 3) Security Survey, Inspection & Investigation
- 4) Industrial Security Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In International Marketing Management

- 1) Elements Of Management
- 2) Guidance & Counseling
- 3) Teaching learning Transaction
- 4) Education For National Development

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Office Administration

- 1) Elements Of Management
- 2) Sales Management
- 3) Marketing Research
- 4) Marketing Managemen

Course Duration  
Diploma in Office Administration

Total Fees Rs. 14500.00

## Diploma In Dairy Management

- 1) Elements Of Management
- 2) Dairy Promotion Program
- 3) Dairy Management
- 4) Dairy Herd Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Hotel Management

- 1) Elements Of Management
- 2) Hotel Front Office Operation
- 3) Hospitality Management
- 4) Hotel Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Hospital Administration

- 1) Elements Of Management
- 2) Hospital Planning & Classifications
- 3) Hospital Functions & Services
- 4) Hospital Administration & General Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Cyber-Law

- 1) Elements Of Management
- 2) Basics Of Computer
- 3) Introduction to Internet & Intranet Security
- 4) Cyber-Law 1

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Internet & Intranet Security

- 1) Elements Of Management
- 2) Computer Networking Concepts
- 3) Internet Application & Web Pages
- 4) E-Commerce

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Logistics & Supply Chain Management

- 1) Elements Of Management
- 2) Logistics
- 3) Supply Chain Management
- 4) Warehouse Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Fire & Safety

- 1) Elements Of Management
- 2) Environmental & Industrial Safety
- 3) Fire & Safety
- 4) Industrial Fire & Safety

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Retail Management

- 1) Elements Of Management
- 2) Retail Management
- 3) Operation Management
- 4) Organization & Operating Of Retailing

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Construction/ Construction Safety

- 1) Elements Of Management
- 2) Constructions Management
- 3) Material Management
- 4) Basics Of Safety Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Agriculture Management

- 1) Elements Of Management
- 2) Agriculture Management
- 3) Crop Production & Protection
- 4) Post Harvest Technique

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Mining Management

- 1) Elements Of Management
- 2) Introduction to Mining Engineering
- 3) Surface & Underground Mining
- 4) Basics Of Safety Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Human Resources Management

- 1) Elements Of Management
- 2) Organization Behavior
- 3) Training Methodology & Evaluation
- 4) Human Resources Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Labour Laws

- 1) Elements of Management
- 2) Labour Laws Relating To Labour Welfare
- 3) Labour Laws Relisting To Industrial Relations
- 4) Organizational Behavior

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

### Diploma In Financial Management

- 1) Elements Of Management
- 2) Management Accounting
- 3) Indian Financial System
- 4) Financial Management

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

# DIPLOMA PROGRAMS (SIX MONTHS DIPLOMA COURSES)

## Diploma In Production Management

- 1) Elements Of Management
- 2) Organization Behavior
- 3) Production Management
- 4) Quantitative Technique-1

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Material Management

- 1) Elements Of Management
- 2) Purchasing Management
- 3) Stores & Materials Management
- 4) Inventory Managemen

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Export & Import Management

- 1) Elements Of Management
- 2) Organization Behavior
- 3) Export & Import Documentation
- 4) International Economics & Foreign Trade

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Industrial Safety

- 1) Elements Of Management
- 2) Environment & Industrial Safety
- 3) Industrial Safety-1 (Health & Safety)
- 4) Industrial Safety-11  
(Engg.& Management)

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Research & Development

- 1) Elements Of Management
- 2) Organization Behavior
- 3) Research Methodology
- 4) Marketing Research

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Advertising & Public Relations

- 1) Elements Of Management
- 2) Public Relations
- 3) Advertising
- 4) Consumer Behavior

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Automobile

- 1) Elements Of Management
- 2) Engineering of Mechanics
- 3) Tool Design
- 4) Theory of Machines

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Food Technology

- 1) Elements of Management
- 2) Food Sciences & Technologies
- 3) Food Science Research
- 4) Food Texture

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma In Environment Management

- 1) Elements of Management
- 2) Climatology
- 3) Environmental Science
- 4) Environmental Law

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma in Store Management

- 1) Stores Identification System
- 2) Storage and Preservation
- 3) Material Handling
- 4) Inventory Control

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

## Diploma in Customer Care Management

- 1) Principles of Management
- 2) Customer Care Management
- 3) Customer Relationship Management
- 4) Customer Service

Course Duration  
6 Month - 1 Years

Total Fees Rs. 14500.00

- Diploma in Computer Application
- Bachelors Program in Computer Application
- Master in Computer Application

<b>Diploma in Computer Application</b>  S.S.C with Work Experience.	<b>Bachelors Program in Computer Application</b>  3 Years Diploma or HSC with 3 years Work Experience.	<b>Master in Computer Application</b>  Graduate or Diploma with 5 years Work Experience.
1) Data Structures & Algorithm. 2) Programming in C, C++. 3) Operating System. 4) Software Engg	<b>PART - I</b> 1) Introduction to Computers 2) Data Structures & Algorithm 3) Operating Systems 4) Network & Systems  <b>PART - II</b> 1) Object Orients Programming in C++ 2) Accounting & Financial Management 3) System Analysis 4) Database Management  <b>PART - III</b> 1) Software Project Management 2) Software Development 3) Advanced Java 4) Network Technology	<b>Sem - I</b> 1) Accounting and Financial management 2) Digital Electronics and Computer Organization 3) Discrete Mathematics Structure 4) Computer Oriented Statistical Methods 5) C and C++ Programming  <b>Sem - II</b> 1) Computer Oriented Numerical Methods 2) Operating System Principles 3) System Software & Compiler Design 4) Database Management System 5) Data Structure Using C++  <b>Sem - III</b> 1) Software Engineering 2) Data Communication & Computer Networks 3) Computer Graphics 4) Design & Analysis of Algorithms 5) Visual Programming  <b>Sem - IV</b> 1) Programming In JAVA 2) Object Oriented Analysis & Design using UML 3) Optimization Techniques 4) Internet Working & Web Design 5) Modeling & Simulation
<b>Course Duration</b> 11 Month	<b>Course Duration</b> 1 - 3 Years	<b>Course Duration</b> 1 - 2 Years

<p><b>Total Fees Rs. 30000.00</b></p>	<p><b>Total Fees Rs. 40500.00</b></p>	

# TEXTILE ENGINEERING

**Master in Textile Engineering**  
**Graduate or Diploma with 5 years**  
**of Work Experience**

## **SEM I**

- 1) Elements of Material Science
- 2) Textile Fibers
- 3) Introduction to Textile - I
- 4) Theory of Textile Structure - I
- 5) Mixing & Blow-Room
- 6) Weaving
- 7) Textile for Interiors

## **SEM - II**

- 1) Draw Frame & Comber
- 2) Introduction to Textile - II
- 3) Engineering Chemistry
- 4) Textile Finishing
- 5) Roving, Ring Frame & Spinning of Manmade Fibers
- 6) Textured Yarn Technology
- 7) Theory & Design of Weaving Machinery

## **SEM - III**

- 1) The Textile Industry
- 2) Natural Fibres
- 3) Fibre Characteristics
- 4) Yarn & Sewing Threads
- 5) Woven Fabrics
- 6) Knitted Fabrics
- 7) Textile Dying

## **SEM - IV**

- 1) Textile Printing
- 2) Textiles & Design
- 3) Unconventional Weaving
- 4) Engineering Properties of Textile Materials
- 5) Theory of Textile Structure - II
- 6) Carding
- 7) Specialization

**Course Duration**  
**1 - 2 Years**

**Total Fees Rs. 37500.00**

# TEXTILE MANAGEMENT PROGRAMS

- Diploma in Textile Management
- Bachelors Program in Textile Management
- Master in Textile Management

<p><b>Diploma in Textile Management</b> S.S.C with Work Experience</p>	<p><b>Bachelors Program in Textile Management</b> 3 Years Diploma or HSC with 3 years Work experience</p>	<p><b>Master in Textile Engineering</b> Graduate or Diploma with 5 years of Work Experience</p>
<p>1) Principle of Management 2) Textile Fibers 3) Principles of Spinning 4) Principles of Weaving 5) Principles of Processing</p>	<p><b>Part - I</b> 1) Principle of Management 2) Textile Fibers 3) Spinning 4) Weaving 5) Processing</p> <p><b>Part – II</b> 1) Fibers Manufacturing &amp; Designing 2) Engineering Design &amp; Textile structure 3) Modern yarn prod. &amp; Control System 4) Dying &amp; Printing</p> <p><b>Part – III</b> 1) Textile Machine &amp; Maintenance 2) Adv. Chem. Processing &amp; Finishing 3) Energy &amp; Environmental control 4) Production &amp; Planning Control 5) Processing</p>	<p><b>Part - I</b> 1) Principal of Management 2) Adv. Fabric Manufacturing &amp; 3) Designing Production Planning &amp; control 4) Garment Technology 5) Adv. Chemical Processing &amp; Finishing</p> <p><b>Part – II</b> 1) Textile Mill Planning &amp; Organization 2) Engineering Management 3) Chem. &amp; Tech. of Manmade Fibers 4) Technical Textile 5) Operation Management</p>
<p><b>Course Duration</b> 4 Months - 11 Months</p>	<p><b>Course Duration</b> 1 to 3 Yaer</p>	<p><b>Course Duration</b> 1 to 2 Yaer</p>
<p><b>Total Fees Rs. 20500.00</b></p>	<p><b>Total Fees Rs. 33500.00</b></p>	<p><b>Total Fees Rs. 37500.00</b></p>

# DIPLOMA PROGRAMS (ONE YEAR DIPLOMA COURSE)

- Diploma in Mechanical Engineering
- Diploma in Electronics Engineering
- Diploma in Electrical Engineering
- Diploma in Civil Engineering
- Diploma in Chemical Engineering
- Diploma in Information Technology
- Diploma in Survey Engineering
- Diploma in Polymer Science Engineering
- Diploma in Industrial Automation Engineering
- Diploma in Web Designing

## Diploma in Mechanical Engineering

- 1) Basics of Mechanical Engineering
- 2) Engineering Mechanics
- 3) Theory of Machines
- 4) Applied Thermodynamics
- 5) Strength of Materials

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Electronics Engineering

- 1) Basic Electronics
- 2) Elements of Electronics Engineering
- 3) Electronic Devices & Circuits
- 4) Digital Integrated Circuits
- 5) Signals & Systems

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Electrical Engineering

- 1) Basic Electronics
- 2) Elements of Electrical Engineering
- 3) Digital Signal Processing
- 4) Electronic Instrumentation
- 5) Digital & Analogue Techniques

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Civil Engineering

- 1) Basic Civil Engineering
- 2) Surveying
- 3) Theory of Structures
- 4) Mechanics of Materials
- 5) Building Construction

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Chemical Engineering

- 1) Introduction to Chemical Engg.
- 2) Thermodynamics of Chem. Engg.
- 3) Strength of Materials
- 4) Mass & Heat Transfer
- 5) Bio Chemical Engineering

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Information Technology

- 1) Foundation of Information Tech.
- 2) Data Structures & Algorithms
- 3) Operating Systems
- 4) Network & Systems
- 5) Database Management

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Survey Engineering

- 1) Basics of Surveying
- 2) Angles and Directions
- 3) Public Land Surveys
- 4) Advanced Surveying
- 5) Ethics for the Professional Surveyor

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Web Designing

- 1) Applied Communication
- 2) Wireless Security
- 3) Introductory Computer Forensics
- 4) Database Security
- 5) Network Security Fundamentals

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Polymer Science Engineering

- 1) Introduction to Polymer Science
- 2) Polymer Chemistry – I
- 3) Plastics Processing
- 4) Polymer Additive & Compounding
- 5) Polymer Blends & Composites

Course Duration  
1 Year

Total Fees Rs. 14500.00

## Diploma in Industrial Automation Engineering

- 1) Fundamentals of Industrial Automation
- 2) Automation & Controllers
- 3) System Calibration
- 4) Robotics
- 5) Automated Components

Course Duration  
1 Year

Total Fees Rs. 14500.00

# SPECIALIZATION LIST

- Finance Management
- Information Technology
- Customer Care Management
- International Trade
- Aviation And Transport
- Agriculture & Rular
- Safety Management
- Risk & Equity
- Marketing & Sales Management
- Health Care & Hospital Management
- Industrial Management:
- Operations Management:
- Law & Property Rights Management
- Construction & Architectural Management:
- Some More.....

## Finance Management As per Course Norms

- 1) Finance Management
- 2) Banking Management
- 3) International Finance Management
- 4) Corporate Finance Management
- 5) Chartered Finance Management
- 6) Cost And Accounting Management
- 7) Audit Management
- 8) Taxation Management
- 9) E-Commerce

**Course Duration**  
6 MonthS to 1 Year

**Total Fees Rs. 14500.00**

## Information Technology As per Course Norms

- 1) Information Technology
- 2) E Business systems Management
- 3) Hardware Management
- 4) Networking Management
- 5) Project Management
- 6) Software Management
- 7) Software Project Managemen

**Course Duration**  
6 MonthS to 1 Year

**Total Fees Rs. 14500.00**

## Customer Care Management As per Course Norms

- 1) Customer Care Management
- 2) Hospitality Management
- 3) Public Relationship Management
- 4) Public Administration Management

**Course Duration**  
6 MonthS to 1 Year

**Total Fees Rs. 14500.00**

## International Trade As per Course Norms

- 1) Retail Management
- 2) Foreign Trade Management
- 3) Foreign Exchange Management
- 4) International Trade Management
- 5) Supply Chain Managemen

**Course Duration**  
6 MonthS to 1 Year

**Total Fees Rs. 14500.00**

## Aviation And Transport As per Course Norms

- 1) Transport Management
- 2) Logistic And Cargo Management
- 3) Air Transport Management
- 4) Shipping Management
- 5) Travel And Tourism Management
- 6) Export and Import Management

**Course Duration**  
6 MonthS to 1 Year

**Total Fees Rs. 14500.00**

## Agriculture & Rular As per Course Norms

- 1) Rural Management
- 2) Agriculture Management

**Course Duration**  
6 MonthS to 1 Year

**Total Fees Rs. 14500.00**

**Safety Management**  
As per Course Norms

- 1) Safety Management
- 2) Total Safety Management
- 3) Total Quality Management
- 4) Packaging Management
- 5) Warehouse Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Risk & Equity**  
As per Course Norms

- 1) Risk and Insurance Management
- 2) Portfolio Management
- 3) Asset Management
- 4) Equity Management
- 5) Investment Management
- 6) Investment Analysis Management
- 7) Market Risk Management
- 8) Mutual funds Management
- 9) Take over and Acquisition Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Marketing & Sales Management**  
As per Course Norms

- 1) Marketing Management
- 2) Sales and Distribution Management
- 3) Sales Management
- 4) Purchasing Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Health Care & Hospital Management**  
As per Course Norms

- 1) Health Care Management
- 2) Hospital Management
- 3) Hospital Administration Management
- 4) Clinical Research Management
- 5) Clinical Pharmacology Management
- 6) Pathological Lab Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Industrial Management**  
As per Course Norms

- 1) Industrial Management
- 2) Energy and Power Management
- 3) Industrial Marketing Management
- 4) Production Planning Management
- 5) Industrial Project
- 6) Textile Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Operations Management**  
As per Course Norms

- 1) Human Resource Management
- 2) Operation Management
- 3) Business Administration
- 4) Consumer Behavior
- 5) Corporate Training
- 6) General Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Law & Property Rights Management**  
As per Course Norms

- 1) Corporate Law Management
- 2) Labour Law Management
- 3) Cyber Law Management
- 4) Intellectual Property Rights

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Construction & Architectural Management**  
As per Course Norms

- 1) Construction Management
- 2) Civil Management
- 3) Material Management
- 4) Architectural Management
- 5) Interior Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

**Some More**  
As per Course Norms

- 1) Media Management
- 2) Dairy Management
- 3) Telecom Management
- 4) Event Management
- 5) Entrepreneur Management
- 6) Mass Communication
- 7) Call Center Management
- 8) Advertising Management
- 9) Hotel Management
- 10) Environment Studies
- 11) Fashion & Designing Management

Course Duration  
6 Months to 1 Year

Total Fees Rs. 14500.00

# TECHNICAL DIPLOMA PROGRAM ( ONE YEAR I.T.I. DIPLOMA COURSE )

## ■ Diploma Programs (One Year I.T.I. Diploma Course)

### Diploma in Mechanical Engineering 10 OR 10+2

- a) Basics of Mechanical Engineering
- b) Engineering Mechanics
- c) Theory of Machines
- d) Applied Thermodynamics
- e) Strength of Materials

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Electronics Engineering 10 OR 10+2

- a) Basic Electronics
- b) Elements of Electronics Engineering
- c) Electronic Devices & Circuits
- d) Digital Integrated Circuits
- e) Signals & Systems

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Electrical Engineering 10 OR 10+2

- a) Basic Electronics
- b) Elements of Electrical Engineering
- c) Digital Signal Processing
- d) Electronic Instrumentation
- e) Digital & Analogue Techniques

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Civil Engineering 10 OR 10+2

- a) Basic Civil Engineering
- b) Surveying
- c) Theory of Structures
- d) Mechanics of Materials
- e) Building Constructio

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Chemical Engineering 10 OR 10+2

- a) Introduction to Chemical Engg.
- b) Thermodynamics of Chem. Engg.
- c) Strength of Materials
- d) Mass & Heat Transfer
- e) Bio Chemical Engineering
- f) Instrumentation & Control

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Information Technology 10 OR 10+2

- a) Foundation of Information Tech.
- b) Data Structures & Algorithms
- c) Operating Systems
- d) Network & Systems
- e) Database Management

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Surveying 10 OR 10+2

- 1. Elements of Management
- 2. Fundamental Principle of Surveying
- 3. Measurement of Distance
- 4. Compass and Chain Traversing
- 5. Theodolite and Theodalite Traversing

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Polymer 10 OR 10+2

- 1. Introduction To Polymer Science.
- 2. Polymer Chemistry
- 3. Unit Operation In Chemical Engineering
- 4. Mould & Die Designing

Course Duration  
1 Year

Total Fees Rs. 20500.00

### Diploma in Fire & Safety 10 OR 10+2

- Elements of Management
- Environmental & industrial safety
- Fire & safety
- Industrial fire & safety
- Fire service organization and management

Course Duration  
1 Year

Total Fees Rs. 20500.00

**Diploma in Chartered finance planner (CFP)**  
10 OR 10+2

- Principles of accounting
- Cost & management accountancy
- Audit management
- Corporate finance & laws
- Take over & merger
- Financial organization management
- Banking and investment
- International finance management

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Welding**  
10 OR 10+2

- SEM – I**
- General introduction to welding technology
  - Joining processes for ceramics and composited
  - Other welding processes ( laser, electron beam, plasma )
- SEM – II**
- Power sources for arc welding
  - Heat treatment
  - Test material's ( repair welding, quality control during manufacturing)

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Fitter**  
10 OR 10+2

- SEM – I**
- Spring Caliper's
  - Hacksaw Blades
  - Vernier Depth Gauges
- SEM – II**
- Twist Drills
  - Surface Plates
  - Thickness of sheet & diameter's of wire

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Automobile**  
10 OR 10+2

- Basics of petrol & diesel engines
- Basic electricity and electronics
- Microprocessor & computer skill
- Transmission, suspension, steering system's & braker's

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Diesel Mechanic**  
10 OR 10+2

- Diesel mechanic
- Diesel engine
- Workshop calculation, science and drawing

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Dairy**  
10 OR 10+2

- Role of dairy animals in Indian farming
- Principles & design of animal housing
- Economic characters of dairy animals
- Grading and testing of milk for quality
- Functioning of chilling centers

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Information technology**  
10 OR 10+2

- Foundation of information technology
- Data structures & algorithms
- Operating systems
- Web technology

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Welder Cum Fabricator**  
10 OR 10+2

- Welder
- Workshop calculations and drawing
- Welding joint
- Fabrication work

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Mechanical**  
10 OR 10+2

- Basics of mechanical engg.
- Machine design
- Thermal engg
- Hydraulics

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**

**Diploma in Mining**  
10 OR 10+2

- Mining geology
- Mining & processing of dimensional stone
- Mining hazard's of safety
- Mining machinery

**Course Duration**  
1 Year

**Total Fees Rs. 20500.00**
